

## Week Ending January 21, 2022

The Nashville Department of Transportation & Multimodal Infrastructure develops and maintains a transportation network that offers choice and connects neighborhoods, residents, and businesses to the places they need and want to go in a safe and efficient manner.

### **Mayor Cooper Announces Funding for New Traffic Management Center**

This week, Mayor Cooper announced that NDOT received a CMAQ grant-- a \$3.65 million TDOT award of federal dollars—that will enable Metro to build out a state-of-the-art Traffic Management Center. Once it's up and running, the TMC will enable NDOT to manage traffic in real-time and will allow for more efficient traffic flow and safer streets for all users.

For more info: <https://www.nashville.gov/departments/mayor/news/mayor-cooper-announces-full-funding-new-traffic-management-center>

### Join us for a public forum!

**When?** January 26th, 2022 @ 12 PM - 1 PM

**Where?** Zoom

**How?** Visit [VisionZero.Nashville.gov](https://www.visionzero.nashville.gov) for Zoom meeting information. No registration required.

Your Voice Matters >>>

### **Vision Zero Draft Plan Public Meeting – Virtual**

Join us for a public virtual meeting to discuss the Vision Zero Draft Plan on Wednesday, January 26. Registration is not required to join. Visit [VisionZero.Nashville.gov](https://www.visionzero.nashville.gov) to learn more and obtain meeting details.

### **Mayor Cooper and NDOT Release Draft Vision Zero Action Plan for Public Review**

The Nashville Department of Transportation and Multimodal Infrastructure (NDOT) and Mayor John Cooper released the first draft of the city's Vision Zero Action Plan. The plan will serve as a guiding framework to make the city's streets safer for all roadway users - pedestrians, bicyclists, and motorists - and achieve a goal of zero preventable roadway deaths. The draft plan includes a High Injury Network of Nashville's most dangerous roads and intersections, as well as set of specific recommendations for near-term implementation.

The department is looking for feedback from community members over the next six weeks in preparation for the release of a final plan in February 2022.

Community members are encouraged to review the plan and submit feedback by emailing [VisionZero@Nashville.gov](mailto:VisionZero@Nashville.gov).

### **Traffic Calming**

#### **Metro Neighborhood Traffic Calming Program**

- The Metro Neighborhood Traffic Calming program is accepting new applications **through Saturday, January 29**. Please review the [traffic calming applications on file](#) before submitting a new application for your neighborhood. If your neighborhood street is already on file, you do not need to submit an additional application for consideration into the program. To submit an application or learn more about the program, visit [TrafficCalming.Nashville.gov](https://www.trafficcalming.nashville.gov).

The Metro Neighborhood Traffic Calming Program focuses on mitigating the undesirable effects of traffic in residential neighborhoods. Demand for the program, with over 200 applications, currently outpaces our available resources requiring NDOT to prioritize projects. Neighborhoods are prioritized based on crash history (40%), measured speeds (30%), and neighborhood characteristics (30%).

We are currently collecting data on all new applicants since July 2020 and moving quickly with the 25 projects selected in the fall. We will be selecting 25 more to begin community meetings in the spring. Remember, the next application period closes January 29, 2022 with another round of data collection/prioritization following.

Once a neighborhood is selected, NDOT staff will meet with the neighborhood to give an overview of what traffic calming is, share the data that has been collected, and kick-off the design process. Once a design is finalized, neighbors will be asked to approve the project through a petition with 70% of homeowners in agreement. The construction phase will begin as soon as the completed petition is received.

#### **Metro Neighborhood Traffic Calming Program (Week of January 24<sup>th</sup>)**

- Second Meeting: Renraw – January 24th at 6:30 PM
- Kickoff Meeting: Glenclyff-Southlake Dr – January 26th at 6:00 PM
- Kickoff Meeting: 23rd Ave N – January 29th at 9:00 AM
- Kickoff Meeting: Buchanan Arts District (15th & 16th Ave N) – January 29th at 10:30 AM
- Kickoff Meeting: Kemper Heights – January 29th at 1:00 PM

#### **Radar Speed Trailer Locations (Week of January 24<sup>th</sup>)**

- Riverside Dr

- Sheridan Rd
- Airpark Dr
- Richmond Dr
- Delk Ave

### **Metro Nashville Christmas Tree-cycling Program**

No matter where you live in Davidson County, recycling your Christmas tree is easy. Christmas trees can be set out with regular brush collection or taken to a Christmas Tree Recycling Drop-off location. You can find your brush collection day by checking out the "Calendar" tab on the [Waste Wizard on the Nashville Waste and Recycling App](#).

\*\*Trees must be cleaned of all ornaments, lights, wire, string and other decor before bringing them to be tree-cycled. No flocked or artificial trees can be accepted. Please do not dump any other items at these drop-off locations.

In partnership with Metro Parks, the drop-off program will run from **December 26 through February 11**.

### **Human Resources & Hiring Updates**

Initial FY'22 Vacancies: 42

Current FY'22 Vacancies: 13

\*Week of January 16, 2022:

Remained at 13 FY'22 vacancies for the week.

Week of January 9, 2022:

Remained at 13 FY'22 vacancies for the week.

Week of January 2, 2022:

Hired one (1) Engineer in Training who will begin working for NDOT on 2/7/22.

Week of December 13:

Remained at 14 FY'22 vacancies for the week.

Week of December 6:

Remained at 14 FY'22 vacancies for the week.

### **Paving**

Notice of milling and paving on a Metro roadway is required to be handled by the contractor via door hanger or mailing prior to the commencement of the project. Additional notification is required to be presented to the homeowner if a construction sign is going to be placed on their property. Report any violations directly to [hubNashville](#).

- [2021 NDOT Paving Projects](#)

### **Potholes**

This week: 723

YTD: 1,221 (Jan 1, 2022)

### **Capital Projects**

[Public Works Capital Projects](#)

Links to the [Pre-Construction Manual](#) and [Construction Management Manual](#).

### **Madison Station Blvd Project**

Continued installation of sanitary sewer on Madison Station Blvd. Completed concrete pour Madison Street Intersection sidewalks and curb and gutter. Started layout and saw cutting for Concrete sidewalks at Madison Street Intersection. Form work at Fifty-Forward parking lot curb and gutter. Formed curb and gutter at old Fifty Forward driveway. Concrete pours delayed due to cold temperatures. Bollards installed at raised crosswalk on Madison station Blvd..

### **Sidewalk Café/Outdoor Dining Permit**

Reminder: Metro Codes, in coordination with other Metro departments, is facilitating the sidewalk cafe/outdoor dining permit. Businesses all around Nashville can apply for this permit to expand their outdoor dining space. Information about the permit, and how to begin the application can be found on NDOT's permits page: <https://www.nashville.gov/departments/transportation/permits>.

### **Neighborhood Clean-Ups**

Help Keep Nashville Beautiful by organizing a clean-up or planting project in your neighborhood. Learn about how to [organize a cleanup](#) or where you can borrow tools free of charge from [Nashville's Tool Share](#) program!

Score a free pint of beer before the Titans take on the Bengals – join **Pick-Up for a Pint** at one of nine participating breweries in Nashville. The concept is simple: Register at [pitchinTN.com](#), show up on Saturday to pick up litter and get a free pint.

**Pick-Up for a Pint** is part of a new campaign launched by Tennessee business and industry leaders called **Pitch In**, an initiative to generate civic participation in local litter pickups that support state of Tennessee beautification programs. **Pitch In** is proud to partner with the Tennessee Craft Brewers Guild to host its first round of litter cleanup events in communities across West, Middle and East Tennessee.

Clean-ups scheduled for this weekend:

- Crazy Gnome Brewery (Nashville Brewer's Guild)- Main Street block surrounding brewery
- East Nashville Beer Works- Trinity Lane
- Jackalope Brewing Company - Wedgewood-Houston Neighborhood around the brewery
- New Heights Brewing Co. - 928 Rep John Lewis Way South and surrounding area
- TailGate Brewery- Charlotte Pike
- Tennessee Brewers Guild- property of and alley behind Tennfold Brewing
- The Black Abbey Brewing Company- Sidco Drive
- TN Craft Brewers Guild / Czanns Brewing Co.- The Nations
- Harding House Brewing Avo.- The Nations Neighborhood

**Adopt-A-Street Program**

Metro Beautification's Adopt-a-Street program is a great and inexpensive way that churches, businesses, neighborhood groups or individuals can help to keep Nashville beautiful. To learn more about the program or to Adopt-A-Street visit our website, [AdoptAStreet.Nashville.gov](http://AdoptAStreet.Nashville.gov).

**Litter**

This week: 5.57 tons collected over 10.51 miles

**Grants & Partnerships Updates**

\*The table below reflects grant awards since 2016.

\*\* The table below reflects the most recent TIP.

NDOT is working to implement projects represented by grant and partnership funding. Since 2016, NDOT (and formerly as MPW) has been awarded \$69M in funding. Since the endorsement of the transportation plan, NDOT has been awarded \$44M in grant and partnership funding.

FUNDING	PROJECT TITLE	GRANTOR/PARTNERSHIP	PROJECT COST	REQUESTED FUNDS	LOCAL MATCH	DESCRIPTION	STATUS	TIP
2016 CMAQ	TDM Phase 1	FHWA	\$1,497,800	\$1,204,240	\$293,560	A program to reduce congestion and contribute to the exceedance of air quality standards by supporting and promoting the use of transportation options other than single occupancy vehicles	Awarded	<a href="#">TIP Project #2017-19-026</a>
2019 CMAQ	TDM Phase 2	FHWA	\$1,769,494	\$1,415,595	\$353,899	Funding to maintain our established transportation demand management program and coordinate efforts in the region, using proven TDM strategies to reduce congestion with a goal of improving air quality.	Awarded	<a href="#">TIP Project #2020-19-109</a>
2019 CMAQ	West End Avenue/ Broadway Communication Upgrade	FHWA	\$3,053,780	\$2,953,100	\$100,680	This project consists of approximately 29 existing traffic signals which are operating as either isolated signals or on wireless / copper communications. Additionally, the primary means of detection on the side-streets are through loops. It is proposed to improve the vehicle detection to radar detection for more reliability. This CMAQ project will build on the current I-440 rebuild to more efficiently and effectively manage vehicle operations. After the installation of the communication and detection, a corridor retiming and optimization of the traffic signals will be conducted.	Awarded	<a href="#">TIP Project #2020-17-110</a>
ATCMTD 2020	Charlotte Ave/ Dr. Martin L. King, Jr Blvd Transit Headways and Congestion Management	USDOT, FHWA	\$3,000,000	\$1,500,000	\$500,000	Connected Transit Vehicle Technology, Transit Signal Priority, Congestion Management Technology, Fleet headway management software, Real-time bus occupancy data, Connected Vehicle-to-Infrastructure Intersection Upgrades.\$1,000,000 committed from state.	Awarded	
2021 UTPG	Planning of Metro Nashville's Downtown Neighborhood Traffic Project	TDOT	\$1,000,000	\$200,000	\$400,000	Planning of the Downtown Neighborhood Traffic Project. The project will address curbside management and transit needs throughout downtown. WeGo - \$350,000 and Downtown Nashville Partnership - \$50,000.	Awarded	<a href="#">TIP Project #2021-19-125</a>

U-STBG	Various intersection improvements (FAUB routes)	GNRC	\$1,962,250	\$1,569,800	\$392,450	Construct/install safety improvements at up to 50 signalized intersections within the Federal Aid Urban Boundary (FAUB). Improvements include signal improvements, markings, guardrail, etc.	Awarded	<a href="#">TIP Project #2008-14-030</a>
U-STBG	Jefferson Street Intersections Improvements	GNRC	\$2,370,000	\$1,680,000	\$690,000	NDOT, in coordination with the Tennessee Department of Transportation (TDOT) and Metro Planning, will work to design and construct intersection capacity improvements and operation upgrades at 21st Avenue North and 28th Avenue North at Jefferson Street. Elements of the upgrades will include additional right turn lanes, decorative pedestrian and traffic signals, improved crosswalks and striping. Public Works is currently studying the feasibility of a roundabout as an alternate design at 28th which is also in the conceptual stage.	Awarded	<a href="#">TIP Project #2004-005</a>
U-STBG	Harding Place Sidewalk Enhancement	GNRC	\$3,500,000	\$2,800,000	\$700,000	Construction of new sidewalk on south side of Harding Pl from I-65 to I-24 in Nashville.	Awarded	<a href="#">TIP Project #2011-16-092</a>
U-STBG	Complete Streets Implementation on BRT Lite Corridors - Gallatin Pike	GNRC	\$6,430,080	\$5,144,064	\$1,186,000	Implementation of Complete Streets elements along the Gallatin Pike BRT lite corridor in Nashville. Work elements may include a multi-use path, strategic pedestrian connections, improved signalized intersections with crosswalks and pedestrian countdown timers, reconfigured or repositioned transit stations, enhanced transit station amenities, bike lockers and benches. Project must be designed in coordination with a steering committee comprised, at a minimum, of representatives from Metro Planning, Nashville MTA, and the MPO.	Awarded	<a href="#">TIP Project #2014-111-026</a>
U-STBG	Complete Streets Implementation on BRT Lite Corridors - Murfreesboro Pike	GNRC	\$3,987,500	\$3,190,000	\$797,500	Implementation of complete streets elements along the Murfreesboro Pike BRT Lite Corridor in Nashville. Work elements may include a multi-use path, strategic pedestrian connections, improved signalized intersections with crosswalks and pedestrian countdown timers, reconfigured or repositioned transit stations, enhanced transit station amenities, bike lockers, and benches. Project must be designed in coordination with a steering committee comprised, at minimum, of representatives from Metro Nashville Planning, Nashville MTA, the Nashville Area MPO, and TDOT.	Awarded	<a href="#">TIP Project #2014-111-027</a>

U-STBG	Dickerson Pike Sidewalk Improvements	GNRC	\$3,400,000	\$2,720,000	\$680,000	Construct a sidewalk, green zone, and pedestrian enhancements along the east side of Dickerson Pike.	Awarded	<a href="#">TIP Project #2014-16-003</a>
U-STBG	Lebanon Pike Sidewalk Improvements	GNRC	\$3,100,000	\$2,480,000	\$620,000	Construct a sidewalk, green zone, and pedestrian enhancements along the north side of Lebanon Pike.	Awarded	<a href="#">TIP Project #2014-16-002</a>
U-STBG	East Nashville Backbones	GNRC	\$1,614,375	\$1,291,500	\$322,875	This project consists of major separated bike lanes including the installation of necessary pavement markings, signs, and delineators on both sides of the following road segments: Union Street from 2nd Avenue North to 1st Avenue North, Woodland Street from 1st Avenue North to South 11th Street, South 5th Street from Woodland Street to Davidson Street, South 10th Street from Woodland Street to Sevier Street	Awarded	<a href="#">TIP Project #2018-16-070</a>
U-STBG	Pedestrian Signal Priorities	GNRC	\$1,650,000	\$1,320,000	\$330,000	The purpose of Pedestrian Signal Priorities is to swiftly install pedestrian facilities and signalization at 10 of the most dangerous intersections throughout Davidson County.	Awarded	<a href="#">TIP Project #2018-111-075</a>
U-STBG	Active Neighborhoods Program	GNRC	\$474,796	\$379,837	\$94,959	The Active Neighborhoods Program is an outreach and education program to expand walking, biking and transit access to broader audiences within Nashville-Davidson County.	Awarded	<a href="#">TIP Project #2018-19-076</a>
STATE	Nolensville Pike (SR-11/US41A) and McNally Drive Intersection Improvements	TDOT	\$980,006	\$931,005	\$49,001	This project will construct intersection improvements along Nolensville Pike (SR-11/US41A) at McNally Drive and Natchez Court that were identified in Envision Nolensville as critical to improving pedestrian access and safety along the growing corridor. Project elements include pedestrian crossing improvements (signage, signalization, lighting and crosswalks), the connection of bus stops to existing sidewalks, and bus shelters, a concrete pad, and ADA boarding pad.	Awarded	<a href="#">TIP Project #2019-14-086</a>
2021 CMAQ	Traffic Control Center- TMC	FHWA	\$3,655,000	\$3,655,000	\$ -	Implementation of a modern fully-functional Transportation Management Center (TMC) which will be housed in the Metro Howard Office Building (HOB) located at 700 2nd Avenue S, Nashville, TN 37210. Metro Nashville is requesting enough funding to cover three years of active operational staff for the management, operation, and maintenance of the TMC. The operational funding is expected to cover nine full time positions in the TMC consisting of engineers, operators, and technicians.	Awarded	

2021 RAISE	A Strategic Community Connections & Infrastructure Plan - North Nashville	USDOT	\$2,508,171	\$2,006,537	\$501,634	The Department of Transportation and Multimodal Infrastructure (NDOT), proposes to conduct a people- and data-centered approach to design, implement and refine tactical urbanism projects and plan for permanent infrastructure with significant community engagement in North Nashville. If awarded, Metro will implement a community-centered, evidence-based, agile methodology to plan, test, iterate and evaluate community-scale infrastructure projects that will most effectively and cost-efficiently increase community prosperity and spatial equity. Builds out Equity By Design framework for application throughout Metro.	Not awarded in this current cycle. We will continue to look for opportunities for inclusive planning.	
2021 RAISE	Strategic Plan for School Bus Electrification - MNPS led/Metro supporting	USDOT	\$1,000,000	\$800,000	\$66,667	Development of a master plan for school bus electrification. In partnership with MNPS and NES. \$66,667 provided by all three for the remaining \$200,000.	Not awarded in this current cycle. We will continue to look for opportunities with our partners for planning.	
	Sadler Ave Bridge	TDOT, CSX	\$8,000,000	\$-	\$-	\$6.4 M TDOT, \$1.6 M CSX	Awarded	
HIP/CCRRSA	Safety Improvements	GNRC	\$1,145,00	\$840,980	\$ -	The frequency and severity of pedestrian crashes at the following locations are among the highest in Nashville: Dickerson Pike & Hart Lane, Dickerson Pike & Lucile Street, Rosa L Parks Blvd & Hume Street, Rosa L Parks Blvd & Taylor Street. The Nashville Department of Transportation (NDOT) proposes to install the most effective infrastructure to reduce pedestrian crashes, including pedestrian hybrid beacons, new pedestrian crosswalks, pedestrian signals, bulb outs, street lights, ADA compliant curb ramps and highly visible and reflective crosswalks at these four intersections.	Awarded	
	N/S Arterial Roadway Project	TDOT	\$50,000,000	\$25,000,000	\$25,000,000	Early Acquisition of ROW to include six parcels for Phase I-North/South Arterial Boulevard between Spring Street and Woodland Street	Awarded	<a href="#">TIP Project #2022-11-146</a>

Small Starts - FTA	Murfreesboro Pike BRT	FTA				The project will originate at the Hickory Hollow commercial center in Antioch and will generally operate along Bell Road and Murfreesboro Pike to Downtown Nashville, terminating at the SoBro Transit Hub at 4th Avenue South and Ash Street. It will connect with Nashville International Airport, Thompson Lane, and Downtown Nashville south of Broadway (SoBro). It will follow existing MTA 55-Murfreesboro Pike bus route, but will terminate at the SoBro Transit Hub instead of WeGo Central. Buses running in majority dedicated lanes with iconic stations, off-board fare collection, platform level boarding, high-capacity buses, and fast and frequent operations. Project cost also includes significant roadway, safety, traffic management/ITS, pedestrian crossing, and sidewalk improvements.	Planned	
	Vision Zero Implementation						Planned	
	WalknBike Plan Update Implementation						Planned	
	Gallatin Sustainability Smart Corridor					The Gallatin Sustainability Corridor will leverage all sustainability activities deployed in the corridor including transit, bike and pedestrian improvements, solar, native plantings and landscaping, stormwater runoff management, potential cool street pavement and other technologies to demonstrate sustainability practice and value.	Planned	
TDOT Research Funds	Metro Digital Twin (Inner Loop Coordination)	TDOT					Planned	

### Projects Underway the Week of 1/24/2022 – 1/28/2022

KEY	
<b>Casting Adjustments</b>	Adjustment (lowering) of utilities to allow milling machines to traverse the roadway without damaging utility assets. Re-adjustment (raising) of utilities so that they will again be flush with the new surface that will be applied.
<b>Milling/Undercutting</b>	Removal (milling) of old surface using a milling machine. All milled surfaces must be cleaned by the milling contractor and marked appropriately to safely direct traffic. During undercutting the old surface that has failed is cut out and new material is put back in before it is resurfaced.
<b>Infrared</b>	A technique where infrared heating systems apply heat to pavement surfaces and aid in the removal of existing material and replacement with new asphalt mixture.
<b>Signal Loop Wires</b>	Signal Loop Wires are installed under the pavement. They are used to detect vehicles passing or arriving at a traffic light.
<b>Crack Seal</b>	A sealant put into the construction joint to keep water out so the road will not depreciate.
<b>Fog Seal</b>	A sealing put on the road to give the road an extended period before it gets paved.

## Street Closure Information

NDOT has launched a new interactive map with active street, lane and sidewalk closures . The map allows the public to see where street, lane and sidewalk closures exist. It also allows motorist to plan their routes based upon active lane and street closures. *The map is updated every two hours.* You can access the map on the Roadway Closures webpage, <https://www.nashville.gov/departments/transportation/street-maintenance/road-closures>.

\*The below information does not reflect unplanned closures or restrictions due to traffic collisions or other emergencies. Road closures are subject to change.
