

NDOT

Follow us @NashvilleDOT

Week Ending March 25, 2022

The Nashville Department of Transportation & Multimodal Infrastructure develops and maintains a transportation network that offers choice and connects neighborhoods, residents, and businesses to the places they need and want to go in a safe and efficient manner.

hubNashville – One Stop Shop for Metro & NDOT Issues

hubNashville is a comprehensive customer service system that makes it easier for people to connect with Metro representatives in order to make service requests, ask questions, and share feedback. hubNashville is a one-stop shop currently available by phone and online, that serves as a starting place for most constituent concerns and doesn't require a user to know which department they need to contact.

Pothole repairs, sign repairs, and illegal dumping issues are the top three most reported issues to NDOT through hubNashville. So far this year, constituents have entered 1,501 pothole requests and 600 litter requests by phone, online or through the app. NDOT received a total of 1,856 service requests in January 2022 and 2,638 service requests in February 2022 from hubNashville. NDOT staff

strives to respond or resolve many of the issue types reported through hubNashville within 24 to 48 hours.

All NDOT requests and issues should be reported via hubNashville by:

- Calling 311 (M-F from 8 a.m. to 5 p.m.)
- Visiting hub.Nashville.gov (24/7)
- Download the hubNashville app (24/7)

Neighborhood Cleanups

Help Keep Nashville Beautiful by organizing a clean-up in your neighborhood. Learn more about how to [organize a clean-up!](#)

Clean-ups scheduled for this weekend:

- Parkwood Neighborhood Association Community Clean-up – Intersection of Doverside and Oakview (District 3)
 - Saturday, March 26 from 8 a.m. to 9:30 a.m.
- KIPP Collegiate School Community Clean-up – Douglas Avenue and North 2nd Street (District 3 & 5)
 - Saturday, March 26 from 10 a.m. to 11:30 a.m.
- Old Charlotte Pike Community Clean-up – 8422 Old Charlotte Pike (District 35)
 - Saturday, March 26 from 10 a.m. to 12:00 p.m.
- Whites Creek Watershed Community Clean-up – 2801 Tucker Road (District 1 & 2)
 - Saturday, March 26 from 10 a.m. to 4 p.m.
- Friends of Whites Creek Community Clean-up – 4421 Whites Creek Pike (District 1, 2, & 3)
 - Saturday, March 26 from 10 a.m. to 4 p.m.
- Linbar and Wallace Road Community Clean-up – 95 Wallace Road (District 30)
 - Friday, April 1 from 1 p.m. to 3 p.m.
- Maplewood Neighbors Community Clean-up – 1010A Virginia Avenue (District 8)
 - Saturday, April 2 from 9 a.m. to 3 p.m.
- Nashville Public Library Bordeaux Branch Community Clean-up – 4000 Clarksville Pike (District 1)
 - Thursday, April 2 from 10 a.m. to 12 p.m.

Adopt-A-Street Program

Metro Beautification's Adopt-a-Street program is a great and inexpensive way that churches, businesses, neighborhood groups or individuals can help to keep Nashville beautiful. To learn more about the program or to Adopt-A-Street visit our website, AdoptAStreet.Nashville.gov.

Clean-ups scheduled for this weekend:

- Theta Phi Sigma Christian Sorority – 33rd Avenue North & Batavia Street (District 21)
 - Saturday, March 26 from 9 a.m. to 11 a.m.
- Phi Kappa Tau Zeta Alpha, Belmont University – 2218 12th Avenue South (District 17 & 18)
 - Saturday, March 26 from 10 a.m. to 12 p.m.
- Pete, Niki, and Elle – 1629 Long Avenue (District 6)
 - Monday, March 28 from 10 a.m. to 12 p.m.
- Alpha Kappa Chapter- Delta Phi Delta Dance Fraternity, Inc.– 2801 Torbett Street
 - Saturday, April 2 from 11 a.m. to 1 p.m.

Litter

Last week: 12.11 tons collected over 62.64 miles

This week: 16.05 tons collected over 91.66 miles

Potholes

Last Week: From 3/10/22 thru 3/23/22: 2,295

YTD: 12,356 (Jan 1, 2022)

Capital Projects

[NDOT Capital Projects](#) | [Pre-Construction Manual](#) and [Construction Management Manual](#).

N. Nashville Bikeways

Work accomplished 3/12/22 – 3/25/22:

- PRI continued concrete work on Monroe St at 9th Ave N and at Arthur St. – see pictures below of completed ramps at Monroe and 9th Ave N, excavation for pedestrian island at Monroe and 9th Ave N, and excavation for 2 landscape islands on Monroe at Arthur.
- Marking Impressions was able to start back with permanent marking installation – see pictures below of Monroe and Rosa Parks intersection area.

Two-Week look ahead as weather allows:

- Marking Impressions to continue permanent thermoplastic marking installation.
- PRI to continue concrete work on Monroe St at 9th Ave N and Arthur Ave.
- PRI to coordinate sign installation with Vulcan. Any signs installed prior to pavement markings being completed will be bagged until markings are complete.

Madison Station Blvd Project

This Week: Construction of curb and gutter along with sidewalk on the NW and SW corners of the Gallatin Pike Intersection. Poured sidewalk and driveway connections from Madison St. to Woodruff St. Continued drainage installation on E. side from Woodruff St. to Old Hickory Blvd. Continued the drainage connections at Woodruff intersection. Drilled and poured light pole foundations from Madison St. to Woodruff St continues. Started shrub installation at FiftyForward. Continued water line relocations from Madison St. to Woodruff St. Prepared site for curb and gutter installation from Madison St. to Old Hickory Blvd.

Last Week: Completed mast arms, pedestrian pole installation and wiring connections for new signal at Gallatin Road and Madison Station Blvd. intersection. Removed old intersection poles and signal heads.

Form work continues for sidewalk and curb tie-ins to complete intersection work at Gallatin Road and Madison Station Blvd. Continued east side storm drain installation from Woodruff St. to Old Hickory Blvd. Formed curb and gutter at Woodruff St. intersection in preparations for concrete pour. Continued lighting conduit installation from Woodruff St. to Old Hickory Blvd. Completed concrete work at driveways from Madison St. to Woodruff St.

Traffic Calming

[Metro Neighborhood Traffic Calming Program](#)

Demand for the Traffic Calming program, with over 200 applications, currently outpaces our available resources requiring NDOT to prioritize projects. Neighborhoods are prioritized based on crash history (40%), measured speeds (30), and neighborhood characteristics (30%).

Once a neighborhood is selected, NDOT staff will meet with the neighborhood to give an overview of the traffic calming toolbox, share the data that has been collected, and kick-off the design process. Once a design is finalized, neighbors will be asked to approve the project through a petition with 70% of homeowners in agreement. The construction phase will begin as soon as the completed petition is received.

We are currently collecting data on all new applicants since July 2020 and moving quickly with the 25 projects selected in the fall. In addition, [NDOT selected 25 more projects last winter](#) which will begin with community meetings in the spring/early summer.

12/1/2021 Project Selections:

| Project Name/Status |
|---|
| Buchanan Arts District – 1 st Meeting Completed (1/29/22) |
| Historic Buena Vista – 1 st Meeting Completed (2/15/22) |
| Neese Drive |
| Rio Vista Drive – 1 st Meeting Completed (2/5/22) |
| Karen Drive – 1 st Meeting Completed (2/5/22) |
| 23rd Avenue N – 1 st Meeting Completed (1/29/22) |
| SNAP (South Nashville Action People)- 1 st Meeting Completed (1/11/22) |
| Glenciff-Southlake Drive Neighborhood Group – 1 st Meeting Completed (1/26/22) |
| Haynes Manor Neighborhood Association – 1 st Meeting Completed (3/3/22) |
| Benita Drive |
| Oakwood Avenue |
| Golden Valley – 1 st Meeting Completed (1/22/22) |
| East Thompson Community – 1 st Meeting Completed (1/6/22) |
| Richmond Hill Drive – 2 nd Meeting Completed (3/19/21) |
| Highland Heights – 1 st Meeting Completed (2/24/22) |
| Kemper Heights – 1 st Meeting Completed (1/29/22) |
| 25th and 26th Avenue N – 1 st Meeting Scheduled (4/7/22) |
| Edge O Lake Drive |
| Sylvan Park East – 1 st Meeting Completed (2/21/22) |
| Somerset/Kensal Green |

Metro Neighborhood Traffic Calming Program (Week of March 28th and April 4th)

- Second Meeting: Rosebank – March 31, 2022 @ 6:00 PM
- Second Meeting: Cherokee Park – April 6, 2022 @ 6:00 PM (Virtual)
- Kick-off Meeting: 25th and 26th Ave North – April 7, 2022 @ 6:00 PM

Radar Speed Trailer Locations (Week of March 28th)

- Poplar Creek Rd
- Long Blvd
- 37th Ave N
- Kinwood Dr
- Southwind Dr

Paving

Notice of milling and paving on a Metro roadway is required to be handled by the contractor via door hanger or mailing prior to the commencement of the project. Additional notification is required to be presented to the homeowner if a construction sign is going to be placed on their property. Report any violations directly to [hubNashville](https://www.hubnashville.com).

- [2022 Spring Paving Projects](#) - These projects were funded in 2021 and will be completed this spring before we begin work on the Summer 2022 Paving Projects.
- [2022 Summer Paving Projects](#) - Summer 2022 paving is expected to begin in late March/early April, weather dependent.

NOTE: All paving projects are weather dependent.

Roadway Closures Information

The right-of-way closures map allows the public to see where street, lane and sidewalk closures exist. It also allows motorists to plan their routes based upon active lane and street closures. **The map is updated every two hours.** You can access the map on the Roadway Closures webpage, <https://www.nashville.gov/departments/transportation/street-maintenance/road-closures>.

***The information does not reflect unplanned closures or restrictions due to traffic collisions or other emergencies. Road closures are subject to change.**

Roadway Closures

[Home](#) > [Departments](#) > [Transportation](#) > [Street Maintenance](#)

The Nashville and Davidson County Active Right-of-Way Closures page provides you with information regarding road construction that may affect vehicular and pedestrian traffic. The information does not reflect unplanned closures or restrictions due to traffic collisions or other emergencies. If you have any questions, call the Nashville Department of Transportation and Multimodal Infrastructure (NDOT) Permits Office at 615-862-8782.

Interactive Map

Temporary right-of-way closures may be required for construction, street maintenance, or special events. All closures to the public right-of-way require a permit from the Nashville Department of Transportation and Multimodal Infrastructure (NDOT).

The street, lane, and sidewalk closures map displays active right-of-way closures in Nashville and Davidson County. The interactive map is updated every two hours.

To view active street, lane, and sidewalk closures in Nashville and Davidson County, use the [NDOT Active Street, Lane, and Sidewalk Closures map](#).

TDOT Roadway Closures Information

To view a full list of construction projects and lane closures for the week of March 24- March 30, 2022 in Middle Tennessee, visit <https://www.tn.gov/tdot/news/2022/3/24/tdot-lane-closure-report-for-middle-tennessee--march-24-30--2021.html>.

*Most work is weather dependent and subject to change due to inclement weather. From your desktop or mobile device, get the latest construction activity and live streaming SmartWay traffic cameras at www.TNSmartWay.com/Traffic.

Projects Underway the Week of 3/28/2022 – 4/01/2022

| KEY | |
|-----------------------------|--|
| Casting Adjustments | Adjustment (lowering) of utilities to allow milling machines to traverse the roadway without damaging utility assets. Re-adjustment (raising) of utilities so that they will again be flush with the new surface that will be applied. |
| Milling/Undercutting | Removal (milling) of old surface using a milling machine. All milled surfaces must be cleaned by the milling contractor and marked appropriately to safely direct traffic. During undercutting the old surface that has failed is cut out and new material is put back in before it is resurfaced. |
| Infrared | A technique where infrared heating systems apply heat to pavement surfaces and aid in the removal of existing material and replacement with new asphalt mixture. |
| Signal Loop Wires | Signal Loop Wires are installed under the pavement. They are used to detect vehicles passing or arriving at a traffic light. |
| Crack Seal | A sealant put into the construction joint to keep water out so the road will not depreciate. |
| Fog Seal | A sealing put on the road to give the road an extended period before it gets paved. |
