

NDOT

Follow us @NashvilleDOT

Week Ending May 6, 2022

The Nashville Department of Transportation & Multimodal Infrastructure develops and maintains a transportation network that offers choice and connects neighborhoods, residents, and businesses to the places they need and want to go in a safe and efficient manner.

NDOT and Partners Launch Connect Downtown Public Survey to Hear from Residents & Business Owners

Connect Downtown is a joint project of the Nashville Department of Transportation & Multimodal Infrastructure (NDOT), [WeGo Public Transit](#), the [Nashville Downtown Partnership](#), and the [Tennessee Department of Transportation](#) (TDOT) to improve mobility and address traffic congestion in the downtown core. We're looking for feedback from residents and business owners about transportation issues in order to develop strategies and solutions that work for everyone. Take the survey by clicking here: [Connect Downtown Survey](#)

This effort will identify projects, programs, and policies to help us better manage downtown's increasing congestion and make it easier for people to get around by all modes of transportation. We'll look at traffic and curbside management strategies; transit improvements; walking, rolling, and biking projects; and Vision Zero safety strategies. Our goal is to support both current and future Nashvillians, planning for the anticipated growth in residential, employment, and commercial development and ensuring that Nashville remains a great destination for visitors.

Climate Action Plan Survey

In February 2020, Mayor John Cooper established a Sustainability Advisory Committee (SAC) of over 50 community volunteers. In early 2021, the SAC presented its recommendations to address climate change.

Now, Metro Nashville wants to hear from YOU about priorities for climate action.

Please [TAKE THE CLIMATE ACTION PLAN SURVEY](#) to help the city decide how to tackle climate change in Nashville.

For more information about the SAC and its recommendations, please [see the FAQs](#).

Neighborhood Clean-Ups

Help Keep Nashville Beautiful by organizing a clean-up or planting project in your neighborhood. Learn about how to [organize a cleanup](#) or where you can borrow tools free of charge from [Nashville's Tool Share](#) program!

Clean-ups scheduled for the week of April 25th:

- Metro Council District 2 Community Cleanup – Buena Vista Heights
 - Saturday, May 7 at 8:30 a.m.
- Metro Council District 2 Community Cleanup – Ewing Drive and Dickerson Pike
 - Saturday, May 14 at 8:30 a.m.
- Metro Council Districts 11 and 12 Community Cleanup – 3729 James Kay Lane – Hermitage Community Center
 - Saturday, May 14 from 9 a.m. to 11 a.m.
- Lenox Village Drive Community Cleanup – 7100 Lenox Village Drive (District 31)
 - Saturday, May 14 from 9 a.m. to 11 a.m.

Adopt-A-Street Program

Metro Beautification's Adopt-a-Street program is a great and inexpensive way that churches, businesses, neighborhood groups or individuals can help to keep Nashville beautiful. To learn more about the program or to Adopt-A-Street visit our website, [AdoptAStreet.Nashville.gov](#).

Clean-ups scheduled for the week of April 25th:

- No Greater Love Ministries – Village Apartments located at 2204 Buchanan Street (District 21)
 - Friday, May 6 from 9 a.m. to 12:30 p.m.
- Delta Phi Delta Dance Fraternity Inc. – 2801 Torbett Avenue (District 21)
 - Saturday, May 14 from 9 a.m. to 1 p.m.
- Riverside SDA Church – 800 Youngs Lane (District 2)
 - Sunday, May 15 from 12 p.m. to 1 p.m.

Litter

Last week: 4.26 tons collected over 20.63 miles
 This week: 5.66 tons collected over 34.42 miles

Capital Projects

[NDOT Capital Projects](#) | [Pre-Construction Manual](#) and [Construction Management Manual](#).

N. Nashville Bikeways

Work accomplished 4/29/22 – 5/5/22:

- PRI continued concrete work on Monroe St at 9th Ave N and at Arthur St. – see pictures below of completed ped island at southeast corner of 9th Ave N & Monroe and area excavated and formed for new curb ramp on north side of Monroe at 9th Ave N.
- PRI continued installation of bike symbols with arrows on green background– see pictures below of completed symbols at 5th Ave N and 9th Ave N.

Two-Week look ahead as weather allows:

- PRI to continue concrete work on Monroe St at 9th Ave N and Arthur Ave.
- PRI to continue installation of bike symbols with arrows on green background.
- PRI to continue installation of GREEN MMA and install the WHITE symbols on the MMA where applicable.
- Marking Impressions to continue permanent thermoplastic marking installation.
- Vulcan to continue sign installation.

Madison Station Blvd Project

Sidewalk and bike path between Madison Station Blvd from Madison St to Woodruff Intersection was poured. Poured driveway tie-ins for residents and businesses between Madison St. and the Community Garage. Concrete driveway for Fire Station 31 was completed. Prepared for curb and gutter from Kroger towards Old Hickory Blvd. Completed mulching and landscaping at the Hardees and Bojangles entrances at Gallatin Road and Madison Station Rd Intersection. Continued installing conduit for street lighting from Woodruff St towards Old Hickory Blvd. Excavation for light pole foundations from Kroger towards Old Hickory Blvd continues. Storm drain construction continues towards Old Hickory Blvd. Bioretention construction near Madison St Intersection continues. Hand rail installation at Fifty Forward continues.

Traffic Calming

Traffic Calming

[Metro Neighborhood Traffic Calming Program](#)

Demand for the Traffic Calming program, with over 200 applications, currently outpaces our available resources requiring NDOT to prioritize projects. Neighborhoods are prioritized based on crash history (40%), measured speeds (30), and neighborhood characteristics (30%).

Once a neighborhood is selected, NDOT staff will meet with the neighborhood to give an overview of the traffic calming toolbox, share the data that has been collected, and kick-off the design process. Once a design is finalized, neighbors will be asked to approve the project through a petition with 70% of homeowners in agreement. The construction phase will begin as soon as the completed petition is received.

We are currently collecting data on all new applicants since July 2020 and moving quickly with the 25 projects selected in the fall. In addition, [NDOT selected 25 more projects last winter](#) which will begin with community meetings in the spring/early summer.

NOTE: An interactive public-facing Traffic Calming Status Tracker with the information below will be made available soon on the Neighborhood Traffic Calming webpage.

12/1/2021 Project Selections:

Project Name/Status
Buchanan Arts District – 1 st Meeting Completed (1/29/22)
Historic Buena Vista – 1 st Meeting Completed (2/15/22)
Neese Drive
Rio Vista Drive – 1 st Meeting Completed (2/5/22)
Karen Drive – Petition Sent to Neighborhood (2/6/22)
23rd Avenue N – Petition Process Completed (4/6/22)
SNAP (South Nashville Action People)- 1 st Meeting Completed (1/11/22)
Glenciff-Southlake Drive Neighborhood Group – Petition sent to Neighborhood (4/4/22)
Haynes Manor Neighborhood Association – Petition sent to Neighborhood (3/10/22)
Benita Drive
Oakwood Avenue
Golden Valley – 1 st Meeting Completed (1/22/22)
East Thompson Community – 2 nd Meeting Scheduled (5/2/22)
Richmond Hill Drive – Petition sent to Neighborhood (3/19/22)
Highland Heights – 1 st Meeting Completed (2/24/22)
Kemper Heights – 1 st Meeting Completed (1/29/22)
25th and 26th Avenue N – 1 st Meeting Completed (4/7/22)
Edge O Lake Drive
Sylvan Park East – 1 st Meeting Completed (2/21/22)
Somerset/Kensal Green

Potholes

From 4/21/22 thru 5/4/22: 1,831
YTD: 17,406 (Jan 1, 2022)

Paving

Notice of milling and paving on a Metro roadway is required to be handled by the contractor via door hanger or mailing prior to the commencement of the project. Additional notification is required to be presented to the homeowner if a construction sign is going to be placed on their property. Report any violations directly to [hubNashville](http://hubNashville.gov) [hub.Nashville.gov].

- [2022 Spring Paving Projects](#) - These projects were funded in 2021 and will be completed this spring before we begin work on the Summer 2022 Paving Projects.
- [2022 Summer Paving Projects](#) - Summer 2022 paving is expected to begin in late March/early April, weather dependent.

NOTE: All paving projects are weather dependent.

Roadway Closures Information

The right-of-way closures map allows the public to see where street, lane and sidewalk closures exist. It also allows motorist to plan their routes based upon active lane and street closures. **The map is updated every two hours.** You can access the map on the Roadway Closures webpage, <https://www.nashville.gov/departments/transportation/street-maintenance/road-closures>.

***The information does not reflect unplanned closures or restrictions due to traffic collisions or other emergencies. Road closures are subject to change.**

Roadway Closures

[Home](#) > [Departments](#) > [Transportation](#) > [Street Maintenance](#)

The Nashville and Davidson County Active Right-of-Way Closures page provides you with information regarding road construction that may affect vehicular and pedestrian traffic. The information does not reflect unplanned closures or restrictions due to traffic collisions or other emergencies. If you have any questions, call the Nashville Department of Transportation and Multimodal Infrastructure (NDOT) Permits Office at 615-862-8782.

Interactive Map

Temporary right-of-way closures may be required for construction, street maintenance, or special events. All closures to the public right-of-way require a permit from the Nashville Department of Transportation and Multimodal Infrastructure (NDOT).

The street, lane, and sidewalk closures map displays active right-of-way closures in Nashville and Davidson County. The interactive map is **updated every two hours**.

To view active street, lane, and sidewalk closures in Nashville and Davidson County, use the [NDOT Active Street, Lane, and Sidewalk Closures](#) map.

TDOT Roadway Closures Information

To view a full list of construction projects and Lane Closure Report for Middle Tennessee, May 5-11, 2022, visit <https://www.tn.gov/tdot/news/2022/5/5/tdot-lane-closure-report-for-middle-tennessee--may-5-11--2022.html>.

*Most work is weather dependent and subject to change due to inclement weather. From your desktop or mobile device, get the latest construction activity and live streaming SmartWay traffic cameras at www.TNSmartWay.com/Traffic.

Projects Underway the Week of 5/9/2022 – 5/13/2022

KEY	
Casting Adjustments	Adjustment (lowering) of utilities to allow milling machines to traverse the roadway without damaging utility assets. Re-adjustment (raising) of utilities so that they will again be flush with the new surface that will be applied.
Milling/Undercutting	Removal (milling) of old surface using a milling machine. All milled surfaces must be cleaned by the milling contractor and marked appropriately to safely direct traffic. During undercutting the old surface that has failed is cut out and new material is put back in before it is resurfaced.
Infrared	A technique where infrared heating systems apply heat to pavement surfaces and aid in the removal of existing material and replacement with new asphalt mixture.
Signal Loop Wires	Signal Loop Wires are installed under the pavement. They are used to detect vehicles passing or arriving at a traffic light.
Crack Seal	A sealant put into the construction joint to keep water out so the road will not depreciate.
Fog Seal	A sealing put on the road to give the road an extended period before it gets paved.
