2024030288	Barnhart will be mobilizing a large hydraulic crane on May 18th, 2024 to 20210 Terrace Place, Nashville, TN (Vanderb Terrace Garage). The crane will be roughly 30' wide and 60 long and will set up directly in front of Terrace Place Garage (area marked in green on map). It will take approximately 3-hours to build the crane. Once crane is built we will lift the old cell tower antenna on top of the garage and replace with new one. Once, the lift is complete we will break the crane down and open the street back to the public. May 19th is a backup day if we run into weather issues or delays getting crane built on May 18th.

This is to request a permit, as issued last year, to close less than 1/2 block of 25th Avenue, South, for five hours from noon to 5PM. Closure to be from the corner of Blair Boulevard & 25th, to just before the alleyway. This will affect only two residences, one of them being mine (2410 Blair) and the other neighbor (2500 Blair) who has agreed to the closure.

This is on behalf of the Hillsboro-West End Neighborhood for the check-in tent and starting point for its third annual neighborhood Garden Tour, "Blossoms and Bungalows." HWEN is a non-profit.
