NOTICE, INDEMNIFICATION, AND RELEASE OF LIABILITY:

Information, which is based upon records on file at Metro Water Services (“MWS”) or on closed-circuit televising of the main performed by MWS or its authorized representative, is provided by MWS in response to this request. This information is in no way guaranteed for accuracy but is provided solely as general guidance and should not be relied upon exclusively. It is the responsibility of the Customer to determine the actual location of any water, sewer, or other service line(s). MWS shall not be responsible for any costs or damages resulting from reliance on the information provided by MWS. Connections to a sewer main or other extension of the sewer service line must be inspected and approved by MWS Permit’s Office prior to backfill completion. I have fully read and understood the information contained in this document. By signing this document, I agree for myself, my heirs, agents, and assigns to indemnify and hold harmless MWS, its officers, agents, and employees from any claims, damages, costs and attorney fees for injuries or damages arising in part or in whole from the information provided in response to this request.
