

1,870 people experiencing homelessness were housed in Nashville from December 2021 through November 2022. This is a 2.8% decrease from last year (December 2020 through November 2021).

Source: De-duplicated Nashville–Davidson County HMIS data including permanent housing exits and move-in dates from **Emergency Shelters***, **Transitional Housing**, **Street Outreach**, **Rapid Rehousing**, **Permanent Housing**, **Coordinated Entry (CE)**, and **Domestic Violence Coordinated Entry (DV CE)****.

*This data does not include information from the Nashville Rescue Mission.

**DV CE data only includes the heads of household's information, and may under-represent the number of people fleeing domestic violence who were housed.

- Rapid Rehousing programs are stable with 82% positive exits over the past 6 months.
- Increased HMIS coverage at Bridge Ministry street outreach, Park Center PSH, and the Village at Glenclyff TH.
- The 12 month housing number continues to decrease.
- The number of people in street outreach programs continues to rise, as it has for the past 18 months.
