## 2022 WalknBike Nashville

The 2022 WalknBike Plan serves as a blueprint to make Nashville more walkable and bikeable over the next three years. WalknBike 2022 updates the 2017 WalknBike plan, laying the foundation for expedited delivery of projects that are both needed and constructible.

A key outcome of this planning process is a list of projects that will guide the Nashville Department of Transportation and Multimodal Infrastructure (NDOT) over the next three years. Projects were prioritized based on four main factors:

Safety of people walking & biking

Connectivity to existing network

Equity & the presence of vulnerable communities

Access to transit

## 2022 WalknBike Steering Committee

The WalknBike steering committee is comprised of a wide range of Metro and community partners representing many areas of expertise as well as population, who together provided strategic direction for the planning process and direction of Nashville's sidewalk and bikeway networks. Steering Committee Representative Agencies include:

Mayor's Office

Conexión Americas

Metro Departments

BCycle

WeGo Public Transit

Greater Nashville Regional Council

Walk Bike Nashville

Hispanic Family Foundation

Civic Design Center

Vanderbilt University

Nashville Downtown Partnership

TDOT

Empower TN

Boys and Girls Club of Middle Tennessee

Black Girls Do Bike

## WalknBike Vision Statement

*The Nashville bicycle and pedestrian system will be a network of high-quality, comfortable, safe sidewalks and bikeways, connecting people to opportunity. The system, inclusive to users of all ages and abilities, will promote and encourage safety, health, education, and active transportation.*
