Juliet, TN. The goal was brainstorm and see what would work...and what will not work. We accomplished many things. For starters, we settled on having 75 kids between the ages of 7 and 10 attend the camp. We decided that we would put out applications to 100 kids/families with the expectation of having 20% of those drop out. We also discussed the number of counselors needed. We are thinking 25 will be a good number. The SROs will be used to identify and gather the kids. Officers in patrol, or any other entity, can do the same. We set another meeting date for September 13th. Then, we will go further in with details and updates.
