2	Places to sit to watch the games being played on the courts. A spot or two to sit along the paths, in case someone wants to take in a little more nature, or needs to rest.	3/25/2023 4:08 PM
3	No basketball court or tennis court! Almost all park basketball courts and tennis courts become aging eyesores and havens for large groups of adults to congregate and project loud behavior. More family/kid friendly and low-noise green space is what our neighborhood needs. If hosting sports is a goal, soccer, disc golf, and volleyball are all other options to consider that may provide a more family friendly experience.	3/25/2023 3:48 PM
4	More walking paths	3/25/2023 9:21 AM
5	Public Art	3/24/2023 10:31 AM
6	For bike paths, add mock traffic signs for kids to learn rules of the road. See parks in Copenhagen and Netherlands for inspiration. Also, love Valbyparken park.	3/23/2023 8:49 AM

11	I really like the soccer field in scheme A	3/21/2023 5:01 PM
12	NO PARKING ON TUSCULUM ROAD! Tusculum Road is already a bottleneck at the entrance; School Traffic; Rush Hour Traffic. Anybody hanging out on Tusculum Parking could flag down friends (or illegal activities) and cause crashes!	3/21/2023 3:33 PM
13	I would add distance markers along the trail for folks who are exercising to measure the distance they reach.	3/21/2023 3:21 PM
14	Turn the tennis courts into soccer courts, or just get rid of it and make the playground bigger	3/21/2023 10:53 AM
15	Volleyball courts instead of pickleball	3/21/2023 8:32 AM
16	Add a few more bench swings around the property and a gate that will be locked at night to prevent homeless encampment.	3/20/2023 7:38 PM
17	No pickleball courts. It is a fad sport. By the time the park is built, no one will be playing it.	3/20/2023 6:27 PM
18	Cut pickleball courts for larger soccer field if possible	3/20/2023 3:58 PM
19	Dog park	3/20/2023 2:48 PM
20	Nothing the variety of sports areas is excellent	3/20/2023 12:22 PM
21	Remove basketball court (Pitts Park has them) add pickleball. Add a native plants wildflowers as opposed to sp much lawn space.. maybe bee hives in community garden space?	3/20/2023 11:37 AM

28	Virtually no one plays tennis. Would love to see multi use courts or play areas. Might be nice to have pickleball sponsored by metro parks in this area .	3/3/2023 5:03 AM

Q7 Do you have any other comments or concerns?

1	Safety. I would love love love a park this close that I can take my four young children to. I am concerned about taking them to places in a park that may not be supervised and getting harassed, robbed, or my kids stolen. What would be done to make sure it is safe for families, single women, the elderly, etc?	3/26/2023 7:30 AM
2	Plans look great!	3/25/2023 3:48 PM
3	Love the e idea of a park!	3/25/2023 9:21 AM
4	Loose dogs unleashed near areas with children, sidewalk access to site along busy Tusculum rd	3/23/2023 8:52 AM
5	Thank you so much! The area needs a green area where the many children can gather and play! Would be nice to connect each surrounding section with sidewalks to get there!	3/23/2023 8:49 AM
6	Would love if there were bathrooms so families could spend an extended amount of time at the park if they so wished.	3/22/2023 11:40 AM
7	I personally like the idea of parallel parking along tusculum and the full parking lot along bart drive, that allows people with cars to access the site from both roads, and limits the grading and construction required for vehicle access points. However, I think the neighbors and surrounding community would rather the access be from tusculum because it is a higher volume roadway.	3/21/2023 5:01 PM
8	Mariposa is Spanish for Butterfly! (Did you know that you were naming it Butterfly Park?) Thank You for providing more recreational spaces! Please be aware of all park locations being meeting spots for illegal activities.	3/21/2023 3:33 PM
9	Wonderful news our district is getting a park!	3/20/2023 7:38 PM
10	The roads should only be wide enough for 1 car. If they are wider, people will park on the roads.	3/20/2023 6:27 PM
11	Not at all. I'm so glad this is happening!	3/20/2023 12:22 PM
12	Would like it to feel as natural as possible, not a ton of paving and development. Would also like to see the paving for parking/walkways be permeable pavement, gravel, or pavers that are better for stormwater infiltration and runoff.	3/20/2023 11:31 AM
13	Security - supervision required for minors	3/20/2023 9:31 AM
14	It'l be great to have a park close by.	3/20/2023 9:26 AM
15	Would love to see a outdoor swimming pool as there's none and closest one is Nashville Shores.	3/11/2023 9:35 PM
16	Great work! This looks amazing.	3/11/2023 11:18 AM
17	How will the influx of traffic be handled? Will sidewalks be extended on both sides of the street?	3/6/2023 5:46 PM
18	I strongly support the drive-in entrance being on Bart rather than Tusculum. That intersection area on Tusculum is already a bit of a struggle. I'm a routine walker in the area, and I can say that the lack of safe pedestrian crossings from Old Tusculum will likely also present safety hazards if unaddressed. A minor point, but there are several unsightly properties near that park that are heavily littered. The new park is great, but I'm worried about an even bigger increase in litter around the area if nothing is done to combat it nearby. The community garden space has a LOT of potential. There is a very heavily used food pantry right down the road from this park (The Branch). They may be interested in partnering in some way with the garden. Generally speaking... I don't want this park to turn into the next homeless encampment. I'm not sure what kinds of proactive measures might be available, but I could foresee this becoming the	3/5/2023 10:13 PM

next spot with it being near OHB, the interstate, and several retailers. As the camps have been cleared out along Edmondson and Harding, I've already seen more unhoused persons wandering in this area. Thank you for giving this area some attention, and I love that there will be efforts made to protect the canopy cover!
