

Notice of Intent to Award

Solicitation Number	361284	Award Date	4/24/2024 5:57 AM CDT
Solicitation Title	SBE Engineering Services for Metro Water Services		
Buyer Name	Scott Ferguson	Buyer Email	scott.ferguson@nashville.gov
BAO Rep	Sierra Washington	BAO Email	sierra.washington@nashville.gov

Awarded Supplier(s)

In reference to the above solicitation and contingent upon successful contract negotiation, it is the intent of the Metropolitan Government of Nashville and Davidson County to award to the following supplier(s):

Company Name	Abes Engineering, Inc	Company Contact	Emmanuel Tuombe	
Street Address	2500 Mount Moriah Road			
City	Memphis	State	TN	Zipcode 38115

Company Name	CIA, Civil Infrastructure Associates, LLC	Company Contact	Steve Pudlo	
Street Address	307 Hickerson Drive			
City	Murfreesboro	State	TN	Zipcode 37219

Company Name	Hethcoat and Davis, Inc.	Company Contact	Cory Borum	
Street Address	278 Franklin Road			
City	Brentwood	State	TN	Zipcode 37027

Certificate of Insurance

The awarded supplier(s) must submit a certificate of insurance (COI) indicating all applicable coverage required by the referenced solicitation. The COI should be emailed to the referenced buyer no more than 15 days after the referenced award date.

Equal Business Opportunity Program

Where applicable, the awarded supplier(s) must submit a signed copy of the letter of intent to perform for any and all minority-owned (MBE) or woman-owned (WBE) subcontractors included in the solicitation response. The letter(s) should be emailed to the referenced business assistance office (BAO) rep no more than two business days after the referenced award date.

Yes, the EBO Program is applicable. No, the EBO Program is not applicable.

Monthly Reporting

Where applicable, the awarded supplier(s) will be required monthly to submit evidence of participation and payment to all small (SBE), minority-owned (MBE), women-owned (WBE), LGBT-owned (LGBTBE), and service disabled veteran owned (SDV) subcontractors. Sufficient evidence may include, but is not necessarily limited to copies of subcontracts, purchase orders, applications for payment, invoices, and cancelled checks.

Questions related to contract compliance may be directed to the referenced BAO rep.

Yes, monthly reporting is applicable. No, monthly reporting is not applicable.

Public Information and Records Retention

Solicitation and award documentation are available upon request. Please email the referenced buyer to arrange.

A copy of this notice will be placed in the solicitation file and sent to all offerors.

Right to Protest

Per MCL 4.36.010 – any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the purchasing agent. The protest shall be submitted in writing ten (10) days after such aggrieved person knows or should have known of the facts giving rise thereto.

Strengths & Weaknesses

ABES ENGINEERING, INC

Management Plan and Approach

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firms' approach to complying with regulations. Firm's approach to controls management and sustainability.

Team Structure and Capacity to Perform

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's capacity and number of team members. Firm's information provided regarding duties of team members.

Team Qualifications

Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below. Firm's project breakdown's.

Weaknesses: Firm has experience as a subcontractor but not as a prime. Firm's qualifications table not clear. Firm's resumes for members not marked key.

Relevant Project Experience for Linear Projects

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm's experience on sewer projects.

Weaknesses: Firm's projects did not include water line projects. Firm's project experience are not all as a prime. Firm's projects do not list construction costs.

CIA, Civil Infrastructure Associates, LLC

Management Plan and Approach

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm has clear one point of contact.

Weaknesses: Firm's approach to controls management. Firm's process on budget and auditing not detailed. Firm's safety and sustainability not detailed.

Team Structure and Capacity to Perform

Strengths: Firm's response addressed everything we requested in the RFP. Firm's capacity to perform overall strong.

Weaknesses: Firm's subcontractor's capacity to perform. Firm's key members not highlighted. Firm's subcontractors duties lacking details.

Team Qualifications

Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below. Firm has a very diverse team.

Weaknesses: Firm's key members not highlighted. Team lacks overall experience.

Relevant Project Experience

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm's mixture of projects.

Weaknesses: Firm's projects are not all relevant to the scope of this project. Firm's water and sewer line projects not their design.

Strengths & Weaknesses

Cornerstone Engineering, Inc

Management Plan and Approach

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm's phasing plan.

Weaknesses: Firm did not demonstrate an understanding of the scope requirements. Firm's management team. Firm did not adequately address sustainability. Firm did not adequately describe how

Team Structure and Capacity to Perform

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's capacity to perform is questionable as presented.

Team Qualifications

Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below. Firm has a diverse team.

Weaknesses: Firm team lacks stormwater experience. Firm did not list key members.

Relevant Project Experience

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm has good structural experience.

Weaknesses: Firm's water and sewer projects presented are not relevant to the scope of this project. Firm lacks experience working with MWS.

Hethcoat and Davis, Inc. dba Hethcoat and Davis Inc

Management Plan and Approach

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm did not demonstrate an understanding of the scope requirements. Firm's plan reliant on other consultants. Firm did not adequately address sustainability, safety, controls or risk

Team Structure and Capacity to Perform

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm did not include capacity to perform in the work chart. Firm listed a team member who is currently retired. Firm did not list key individuals in org chart. Firm did not identify Metro

Team Qualifications

Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below. Firm has a very diverse team.

Weaknesses: Firm did not highlight key members.

Relevant Project Experience

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. All of firm's projects are relevant to this project.

Weaknesses: Firm did not list fees. Firm's layout hard to read on tables. Firm did not provide initial construction costs or roles and responsibilities.

Inflo Design Group, LLC

Management Plan and Approach

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm's controls are well thought out.

Weaknesses: Firm did not mention stormwater and safety compliance. Firm's schedule lacked details.

Team Structure and Capacity to Perform

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm presented a good staff.

Weaknesses: Firm lacks capacity to perform. Firm's work chart lacked detail. Firm did not include identify key members on org chart.

Team Qualifications

Strengths: Firm's response addressed everything we requested in the RFP except for the weakness noted below. Firm's resumes are exceptional.

Weaknesses: Firm did not list experience of subcontractors. Firm's team lacks experience on stormwater.

Relevant Project Experience

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm presented a good project mix.

Weaknesses:

Strengths & Weaknesses

Lamar Dunn & Associates, Inc. dba LDA Engineering

Management Plan and Approach

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm did not address full scope requirements in demonstrating their understanding of the scope requirements. Firm did not include cost and budget information.

Team Structure and Capacity to Perform

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's capacity is questionable. Firm did not provide enough information on subcontractors. Firm's organizational structure was hard to follow.

Team Qualifications

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm's experience fits requirements of scope.

Weaknesses: Firm's program manager is not licensed.

Relevant Project Experience

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. The firm's experience is relevant to the scope.

Weaknesses: Firm's sewer and water projects not local.

Reina Engineering, LLC

Management Plan and Approach

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below. Firm provided a good description on their firm.

Weaknesses: Firm did not demonstrate an understanding of the scope requirements. Firm did not adequately address sustainability, meeting regulations or risk management.

Team Structure and Capacity to Perform

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm did not provide their capacity to perform. Firm did not outline responsibilities. Firm did not provide capacity details. Firm did not provide very much information on subcontractors.

Team Qualifications

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's experience does not match the qualifications for their team to provide the services for this project. Firm's team lacks depth. Firm lacks local experience.

Relevant Project Experience

Strengths: Firm's response addressed everything we requested in the RFP except for the weaknesses noted below.

Weaknesses: Firm's projects lacked details overall. Firm did not provide any local projects.
