Fall 2016

welcome!

This Fall marks my one year anniversary with NCE. It's been an amazing year for the program and we are so grateful for all of the students and instructors that make our success possible!

A few highlights for Fall 2016 include NEW locations! A majority of our classes are still at the Cohn School in Sylvan Park, Wright Middle School in Southeast Nashville and the Nashville Farmers' Market. In addition, we will now be offering classes at the **Martha O'Bryan Center's** East Nashville location and several paddle boarding classes with **Paddle Up Nashville**.

Another exciting update to this Fall's lineup is highlighted on the next page: clases en Español! We hope to continue adding more classes suited for native speakers and those wanting to practice their Spanish skills, but this fall we thought we'd start with something a little creative.

With so many choices we know you'll find a perfect match for your interests! Thank you for continuing to enrich the diverse fabric of Nashville.
