DIVERSION

Where to
Start?

Early View

24/7 Mental Health Urgent Care

Planning Council

Prioritize Prevention & ACEs

24/7

**Mental
Health**

**Urgent
Care**

**Right Care
Right Setting
Right Time**

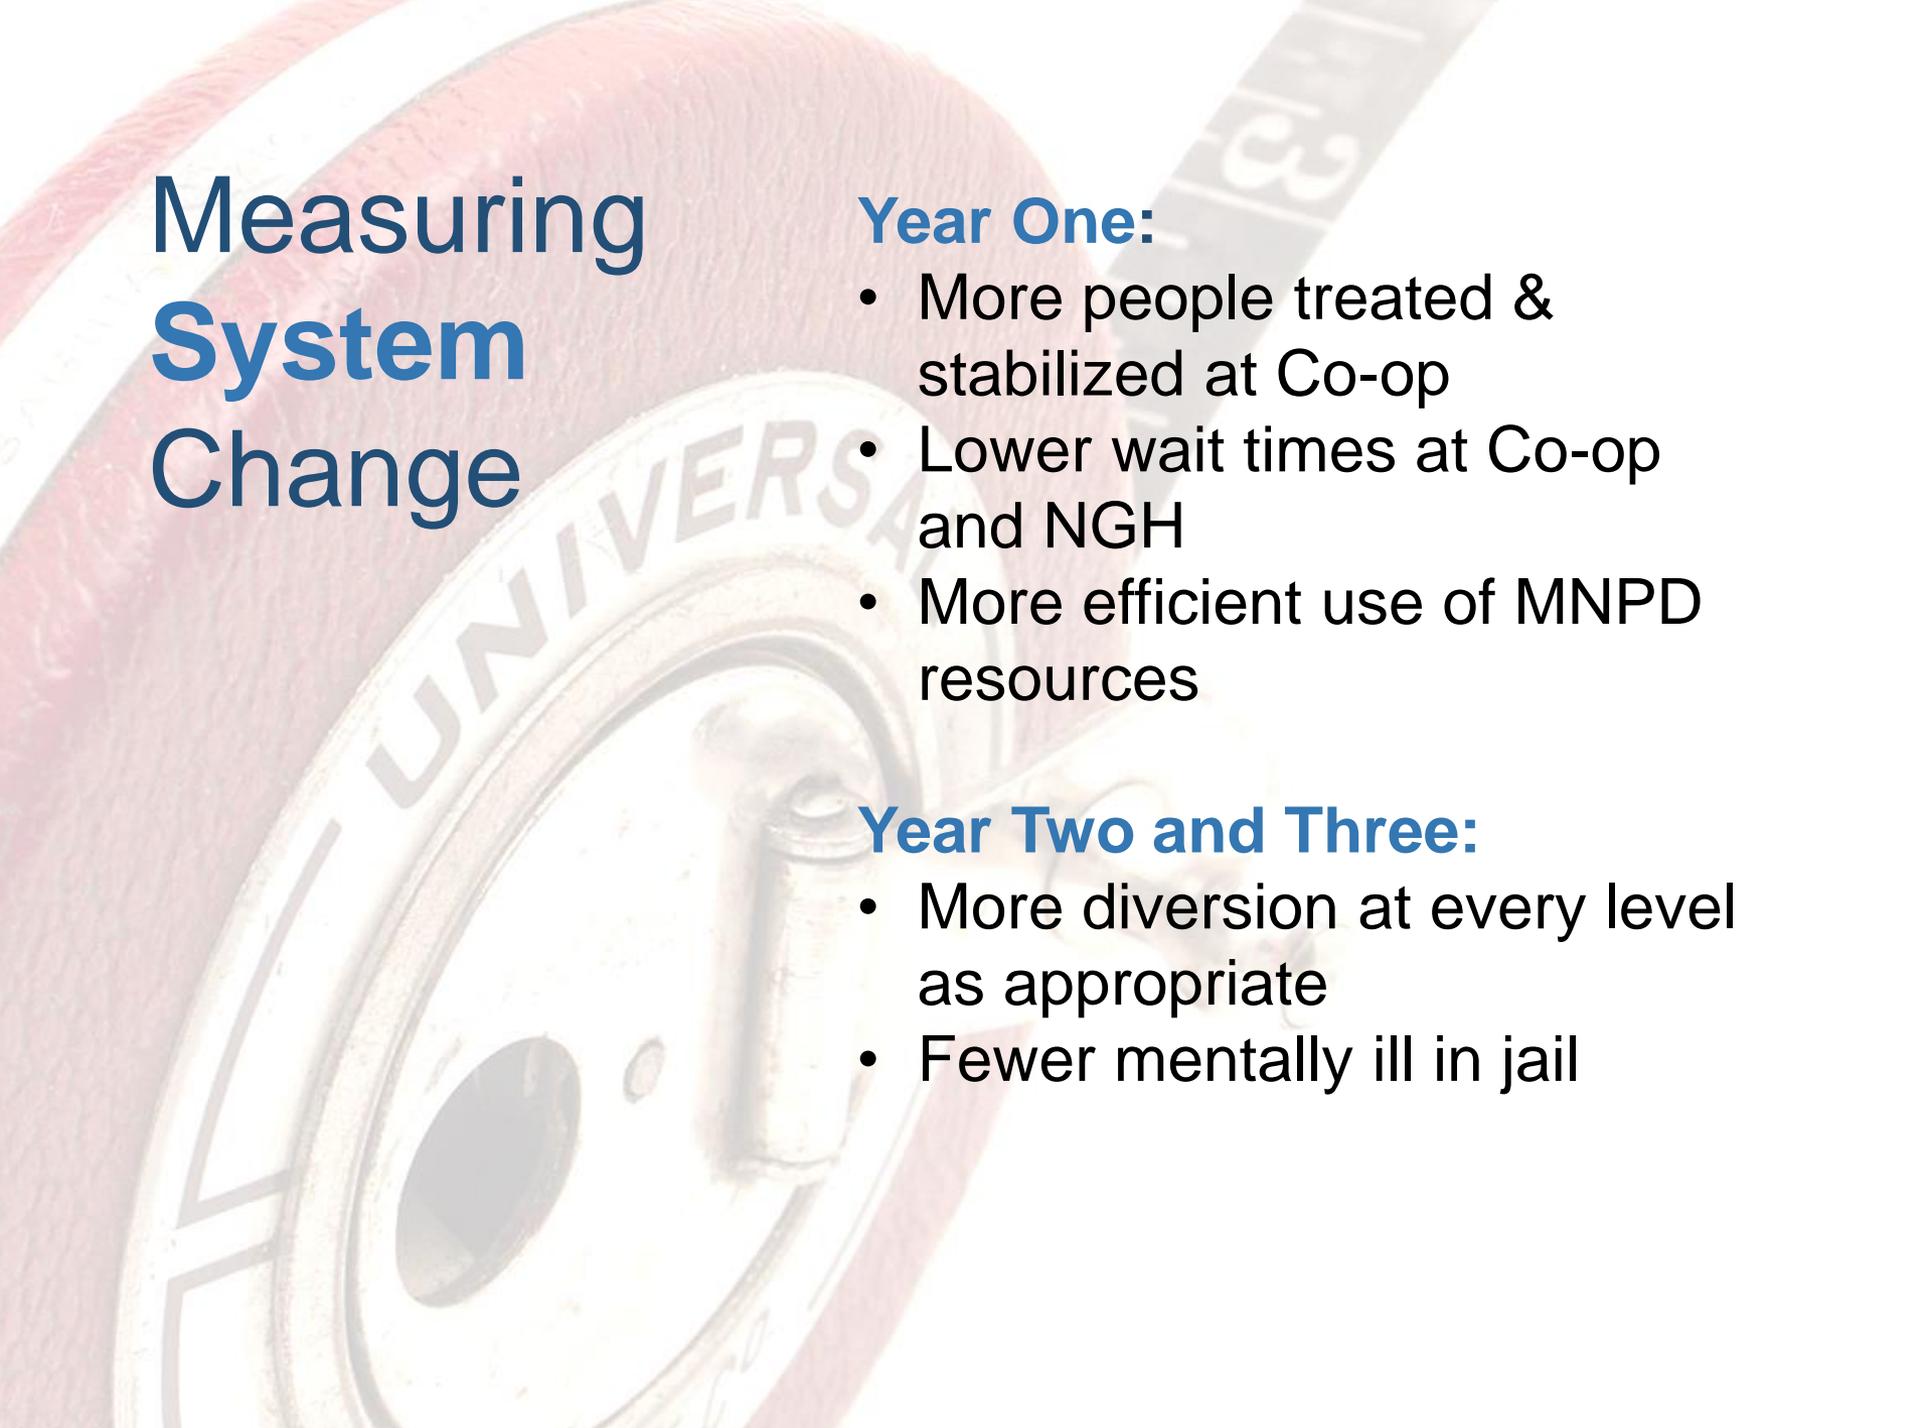

Planning Council

Prevention: Training & Coordination

Adverse Childhood Experiences

Measuring System Change

Year One:

- More people treated & stabilized at Co-op
- Lower wait times at Co-op and NGH
- More efficient use of MNPD resources

Year Two and Three:

- More diversion at every level as appropriate
- Fewer mentally ill in jail
