

Attention Metro Employees:

Now your EasyRide card is good aboard the Music City Star!

Effective August 1, your EasyRide card is valid aboard the Music City Star Commuter train in Davidson County. This includes Riverfront, Donelson and Hermitage stations.

Simply present your active EasyRide card to the train conductor aboard the train. You will also need to swipe your card aboard the bus when riding the shuttle between Riverfront Station and downtown. The shuttle picks up and drops off at Riverfront Station and covers downtown offices along its route. If you need to reach other Metro Office locations, you can transfer at MTA's Music City Central to a connecting bus. Simply use your EasyRide card.

Live out of county? You can drive to a station inside Davidson County to catch the train.
