

# GET CONNECTED

Free financial resources to help you stay connected to your goals

## **NerdWallet.com**

Free website and app. Offers financial tools and objective advice to help people understand their financial options and make the best possible decisions.

## **BankRate.com**

Free website and app. Helps you find and compare rates on financial products like mortgages, credit cards, car loans, savings accounts, certificates of deposit, checking and ATM fees, home equity loans and banking fees. BankRate strives to provide consumers with the expert advice and tools needed to succeed throughout life's financial journey.

## **Mint.com**

Free website and app. Create budgets that make sense today and set you up for success tomorrow. See bills and money together, so you know what's due, when it's due and what you can pay. Receive alerts for unusual account charges, and get custom tips for reducing fees and saving money. Get your free credit score and learn how you can improve it now to get the things you want later.

## **KhanAcademy.org/economics-finance-domain**

Free website and app with videos and tutorials on interest and debt, housing, inflation, taxes, accounting and financial statements, investing, banking and banking trends.

## **BetterMoneyHabits.com**

Through a partnership between Bank of America and Khan Academy Better Money Habits has tapped into a different way to help people learn about money. It's about laying out the facts so that people can decide what makes sense for their personal situation. It's about covering topics people want to learn about, using terms and examples they can understand. It's about connecting information to people's goals and situations - so information is easily accessible when and where people need it.

## **AnnualCreditReport.com**

Free website and app. Get a free copy of your credit report every 12 months from each credit reporting company. Ensure that the information on all your credit reports is correct and up to date. Credit reports may affect your mortgage rates, credit card approvals, apartment requests, or even your job application. Reviewing credit reports helps you catch signs of identity theft early.

## **CreditKarma.com**

Free website and app with access to your credit scores, reports and monitoring. Assistance with disputing errors on your credit report. Information on appropriate interest rates for your credit rating.

## **FreeCreditScore.com**

Owned and operated by Experian, one of the leading provider of online credit reports and scores. Free website and app with access to your credit score, reports and monitoring. Assistance with disputing errors on your credit report.

## **LevelMoney.com**

Owned and operated by Capital One. Free personal finance and budgeting app that helps you plan for essentials like rent and bills and helps to target a savings goal. Assists with achieving a balance between spending and saving.

## **Venmo.com**

Free website and app that allows consumers to pay friends, family, other Venmo users, and businesses using money you have in your Venmo account or linked to your bank account or debit card. Money can quickly be transferred to personal banking accounts.
