## More roundabouts, fewer accidents

Carmel, Indiana, an upscale Indianapolis suburb with a population slightly larger than Bowling Green, Kentucky's, has sixty traffic roundabouts - more, their local government claims, than any other US city, resulting in [a significant decrease in accidents](#) at intersections where roundabouts have replaced signals.

## Could LEED kill the mini-refrigerator?

Maybe so, at least in the dorms at [one state college in Massachusetts](#).

## The United Watersheds of America

[How our national map might look](#) if the lines were drawn by water flow rather than governmental boundaries.
