

Metro Nashville Planning Digest

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County, Tennessee

Issue #346
April 29, 2015

Conceptual, to say the least

An idea, not nearly a plan, for [underground bikeways](#) which would draw energy from the footsteps of walkers at surface level.

The future, and value, of public spaces

As one architect quoted in [this article](#) puts it, people “will gather in public if you give them a good place to do it.”

Wild animals, going urban

Some cities’ population growth [is not entirely human](#).
