A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County, Tennessee

Issue #404
September 20, 2016

Not in the top 50... yet.

Nashville didn't make Bicycling magazine's list of the top fifty bikeable cities nationwide - but Walk Bike Nashville [has some ideas for getting there next year.](#)

No new streetlights since 1980

That's the situation in Indianapolis, [where the population's increased but the number of streetlights hasn't](#) - and 585 pedestrians have been killed since the light moratorium began.

Doing something about it

How community action [led to safer streets in St. Louis.](#)
