

# Green Hills Area Transportation Plan – August 2011

## Transit Recommendations

### Transit Stop Improvements

- Coordinate with sidewalk improvements
- Improve stops accessibility in the area

Illustration of potential improvements to the transit stop along Hillsboro Road opposite The Mall at Green Hills.

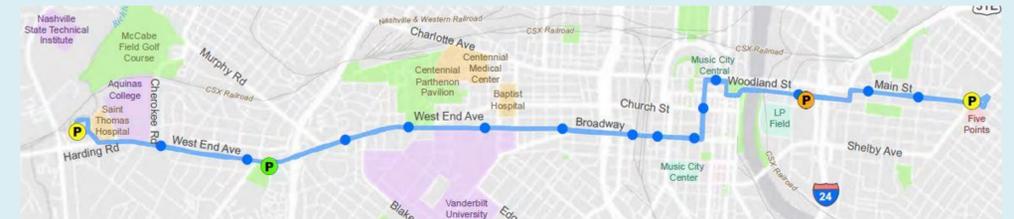

### Transit Signal Priority Improvements

A green extension/red truncation treatment at these signal locations:

- Woodmont Boulevard
- Crestmoor Road
- Glen Echo Road
- Abbott Martin Road
- Richard Jones Road
- Warfield Drive
- Hobbs Road

### Potential Interface with The Amp

Create a fixed-route transit link from The Mall at Green Hills and surrounding area with The Amp

The Amp Corridor

There will be more opportunities to shape transit infrastructure in Green Hills. Nashville MTA will update its Strategic Transit Master Plan in 2014.
