

Green Hills Area Transportation Plan – August 2011

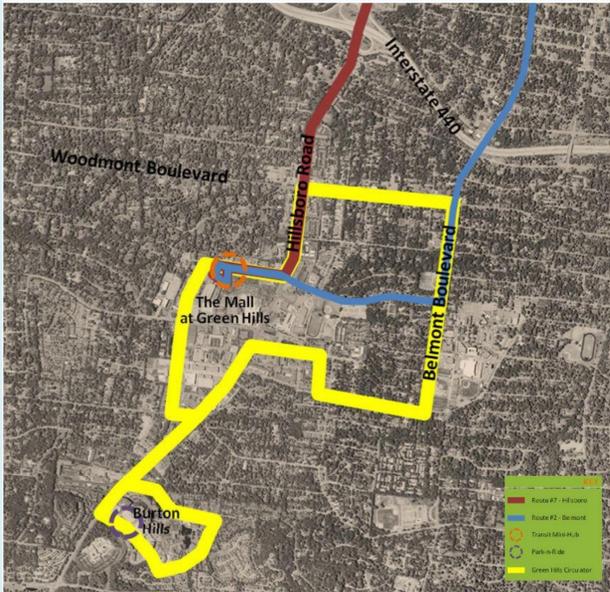

Transit Recommendations

Existing Mass Transit Service in the Green Hills Area

Improvements Option 1

- Connect #2 (#21) and #7
- Develop a new mini hub
- Extend #7 to Burton Hills
- Create park-n-ride

Improvements Option 2

- Develop new local circulator service
- Develop a new mini hub
- Create park-n-ride

Illustration of Potential mini-hub location at the Old Library Site along Green Hills Village Drive.

A bus can carry 50-100 passengers reducing the number of vehicles on the streets.
