Good Afternoon!

I just wanted to drop you a quick note and let you know how much I appreciate the professionalism and dedication of metro police, especially officer employee number 225805 assigned to division P. I'm proud to be a resident of a county where Law Enforcement takes personal responsibility for their tough jobs and support the community. It makes me very proud of Nashville to know that whether it's an emergency situation, or I just need a point in the right direction to an address, that the officers keeping this city safe will always help me. These dedicated officers truly know the meaning of public service and community. Thank you for all that you do!

Respectfully,
