

Water Quality BMP Maintenance Companies

The following is a list of companies that will maintain post-construction water quality Best Management Practices (BMPs) such as underground detention units and stormwater ponds. Each company has advised NPDES that it will submit maintenance work documentation forms to Metro Water Services upon request and will quantify the material removed from each of the BMPs maintained.

This list is for your convenience only and is not a recommendation or endorsement by the Metropolitan Government of the services these companies provide nor is it an exclusive list of companies that offer BMP maintenance services in Metro Nashville.

If you would like your company to be added to this list, please contact: Rebecca Dohn @ (615) 880-2420 or at rebecca.dohn@nashville.gov.

PLEASE NOTE:

Certain stormwater quality proprietary units require OSHA Confined Space Entry protocols be followed in order enter the unit for inspections and/or cleaning. General safety precautions and any needed personal protection devices should be utilized when accessing such units. Please consult the manufacturer for more information.

Company	Contact Person	Phone Number	Type of BMP Maintenance
Beard Property Maintenance	Dwight Beard	615-331-6289	bioretention/ponds
Civil Constructors Inc.	Jim Field	615-236-9000	ponds
DBi Services	Anna Griggs	336-984-8742	all
Drainage Protection Systems	Craig Beatty	888-950-8826	no ponds
First Response	Aaron Gunn	615-429-1371	all
GreaseMaster	Craig Wood	615-394-3284	no ponds
Hepaco	Glenn Blasingame	615-882-0033	all
Jen-Hill Construction Materials	Trey Hightower	615-824-1200	all
Northstar Environmental Group	Colby Phillips	615-451-4867	all
Onsite Environmental	Doug Bundy	615-228-3901	all
Ops Contracting Services, LLC	Robert Wilkinson	615-289-4513	all
Sani-Tech	Brien Welsh	615-843-6828	no ponds
Storm System Services	Jeffrey Askew	678-990-0178	all
Straightline Construction	Tony Traverso	615-330-2851	all
TPM, Inc.	Terry Breshears	615-585-0995	all
Sweeping Corporation of America	Mike Shultz	615-251-8557	Pervious pavement
