

THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY
DESCRIPTION OF COMPONENT UNITS

GOVERNMENTAL TYPES

NASHVILLE DISTRICT MANAGEMENT CORPORATION

The Nashville District Management Corporation was created to administer special assessment revenue collected by Metro for the benefit of the Central Business District and is engaged in designing improvements to enhance businesses in the District.

SPORTS AUTHORITY

The Sports Authority of the Government was created to plan, promote, finance, construct, acquire, renovate, equip and enlarge buildings and operate sport complexes, stadiums, arenas, structures and facilities for public participation and enjoyment of professional and amateur sports, with an emphasis on attracting professional sports franchise to the Metropolitan Nashville and Davidson County area. The Sports Authority primarily accounts for the various revenue sources dedicated for debt service on Adelphia Coliseum (the Stadium) and the Gaylord Entertainment Center (the Arena), dedicated Stadium development and capital revenues, and working capital for the Arena. The Authority also receives an appropriation from the Government to fund the cost of the Authority's operating budget.

PROPRIETARY TYPES

HOSPITAL AUTHORITY

The Hospital Authority was created to operate Metropolitan Nashville General Hospital, a full service medical facility, and Metropolitan Nashville Bordeaux Hospital, a long-term facility. Both hospitals are supported in part by user charges and in part by a subsidy from the Government.

METROPOLITAN DEVELOPMENT AND HOUSING AGENCY

The Metropolitan Development and Housing Agency is engaged in the development, acquisition, and administration of low-rent housing and has administrative responsibility for various other community development programs whose primary purpose is the development of viable urban communities by providing decent housing, a suitable living environment and economic opportunities principally for persons of low and moderate income. The Agency also administers various development projects unrelated to public housing on behalf of the Government.

ELECTRIC POWER BOARD

The Electric Power Board exercises exclusive control and management over the electric distribution system, which provides commercial and residential electric power to the Metropolitan Nashville/Davidson County area.

METROPOLITAN TRANSIT AUTHORITY

The Metropolitan Transit Authority is responsible for the management and fee structure of the public transportation system.

PROPRIETARY TYPES (CONTINUED)

NASHVILLE THERMAL TRANSFER CORPORATION

The Nashville Thermal Transfer Corporation was created for the purpose of burning refuse and using the energy recovered to provide low-cost heating and cooling to various governmental and commercial buildings located in downtown Nashville on a user charge basis.

METROPOLITAN NASHVILLE AIRPORT AUTHORITY

The Metropolitan Nashville Airport Authority operates the Nashville International and the John C. Tune Airports.

EMERGENCY COMMUNICATIONS DISTRICT

The Emergency Communications District is engaged in securing and providing more efficient emergency service to the public.

INDUSTRIAL DEVELOPMENT BOARD

The Industrial Development Board was created for the purpose of assisting private businesses within Davidson County to obtain public financing through the issuance of nontaxable bond issues.
