

The 273 acres of land for E.N. Peeler Park were acquired through acquisition of the Euston N. Peeler farm in 1963 and adjoining site of the Sun Valley Swim Club in 1969. Prior to becoming a Metro park, the 257-acre Peeler tract was actively farmed with a dairy herd and row crops. The Peeler home and dairy barns were located on the uplands and the row crops were farmed in the bottomlands. The pool was filled soon after acquisition, and the swim club buildings, long vacant, will be reused in the future for nature programming and maintenance operations.

Except for public use of the model plane airstrip located near the Peeler homestead, the property was landbanked until 2007. Peeler Park is now open as an important natural area in the Cumberland River watershed to enjoy passive outdoor recreation with its system of greenway paved trails, boardwalks, primitive trails and equestrian trails which meander through scenic floodplain pastures, wetlands and woods.

FUTURE NATURE CENTER

**HORSE TRAILS**  
 Bring your own horse  
 Ride on designated horse paths only  
 Enter and exit the horse path system from equestrian trailhead only  
 Carry proof of negative test for Equine Infectious Anemia (Coggin's test)  
 Use horse paths from sunrise until dark  
 Use horse paths at own risk  
 Leave park premises in good condition  
 Obtain permit from Metro Parks for organized trail rides of 10 or more horses at 862-8400

**PROHIBITED**  
 Riding on paved trail and hiking trails  
 Littering and cleaning out trailers on park property

**HELP PROTECT THE GREENWAY**  
 Follow These Rules

**THIS IS A MULTI-USE TRAIL**  
 · Show courtesy and respect for all trail users regardless of mode of travel, speed, or skill level.
