¹ You may choose between contacts or eyeglasses. If you choose contacts, the benefit does not apply to eyeglasses (lenses and frame) during the same service period.

² You are responsible for any amount over the reimbursed or allowance amount.

³ The \$125 allowance covers exam, contact lens(es), fitting and evaluation. You are responsible for any amount over the reimbursed or allowance amount.

⁴ A limit of 2 out-of-network claims will be processed per year; therefore, it may be necessary for you to hold your receipts and submit with one or two claims per year.
