

## 2010 Census Data and American Community Survey 2005 – 2009 Estimates

During the North Nashville Community Plan Update, the 2010 Census was underway. To provide the North Nashville Community with the most current demographic information, the following data was compiled. Thus far, the 2010 Census has released only population and race figures; those figures are shown below. The American Community Survey is a more detailed survey that is performed annually and has estimates that are reported for 1, 3 and 5 year horizons. Below are the American Community Survey Estimates at the Census Tract and Block Group level for the period of 2005 – 2009; it was released in 2010.
