1. Pursuant to Council Rule 20, any bill applying a PUD overlay must have a recommendation from the Planning Commission before it can be introduced on 1st Reading at Council.

2. The dates shown allow a zoning or PUD application to progress on a normal schedule. It is Planning Department policy that Planning staff will prepare a Council bill after a zoning application has received a recommendation of approve or approve with conditions from the Planning Commission. Staff will prepare a zoning bill for an application that received a recommendation of disapproval or that has not yet been considered by the Planning Commission only after receiving a request from a member of the Metro Council at least 10 working days prior to the council bill filing deadline, and the request must be approved by the Executive Director of the Planning Department.

3. Pursuant to the Metro Council's rules, all legislation must be submitted in final form to the Council Office by noon on the Friday before the Tuesday deadline for filing the bill with the Metro Clerk's office.

4. Rezonings become effective after the Metro Clerk advertises its legal enactment which occurs after the bill is adopted on 3rd Reading and acted upon by the Mayor. A bill becomes effective with the Mayor's signature of approval or, if returned to the Council without the Mayor's approval, not later than the next regular Council meeting. (Metro Charter, Sec. 5.04)
