

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County

Issue #26

November 19, 2008

Celebrating a greener Thanksgiving

Organic vegetables, no disposable plates or utensils, composted leftovers - those are just a few of Sustainlane.com's [suggestions](#) for a green Thanksgiving observance. There's also room for your comments.

Pushing congestion outward

A \$15 billion highway project has freed up traffic flow in downtown Boston - and [made it worse in the suburbs](#).

Lineupppers, sideslippers, and the “perfect England”

Do you cut into lines of traffic, or wait your turn? And [which way is better?](#)

Questions or comments: craig.owensby@nashville.gov

The Metropolitan Planning Department publishes this weekly digest to inform members of the Planning Commission, Metropolitan Council, Board of Zoning Appeals, and other interested parties about planning and growth issues in other communities which could apply to the Nashville region. Particular attention is given to sustainable development, smart growth, multi-modal transportation, and other information which will help us build a sustainable future and a more livable city.
