

A weekly selection of issues and activities relevant to local planning in Nashville and Davidson County

Issue #160
June 21, 2011

Historic and green

Some thoughts on [appropriate renovation](#) of old urban buildings.

Where's your local greenway?

Or your park, or your farmers' market? NashVitality's interactive online map, developed by the Metro Planning Department, shows "[healthy, active, and green](#)" sites across Nashville and Davidson County.

A straw bale double-wide

And four other examples of [off-the-grid homes](#).

Questions, comments, or link suggestions: craig.owensby@nashville.gov

The Metro Nashville-Davidson County Planning Department publishes this weekly digest to inform members of the Planning Commission, Metro Council, Board of Zoning Appeals, and other interested parties about planning and growth issues in other communities which could apply to our city and region, with particular emphasis on appropriate development, smart growth, multimodal transportation, and other information which will help us build a sustainable future and a more livable city.
