

TOTAL TOXIC ORGANICS (T.T.O.) DECLARATIVE STATEMENT

Based on my inquiry of the person or persons directly responsible for managing compliance with the permit limitation (or pretreatment standard) for Total Toxic Organics (T.T.O.), I certify that, to the best of my knowledge and belief, no dumping of concentrated toxic organics into the wastewater system has occurred since the filing of the last discharge monitoring report. I further certify that this facility is implementing the solvent management plant submitted to the permitting (or control) authority.
