

Affidavit

After first being duly sworn according to law, the undersigned (affiant) states that s/he and the contracting organization are presently in compliance with, and will continue to maintain compliance with, all applicable federal, state, and local laws.

Affiant acknowledges that, pursuant to MCL 2.230.020, affiant is required to provide sexual harassment awareness and prevention training to employees that:

1. Have direct interactions with employees of the Metropolitan Government through email, phone, or in-person contact on a regular basis;
2. Have contact with the public such that the public may believe the contractor is an employee of the Metropolitan Government, including but not limited to a contractor with a phone number or email address associated with the Metropolitan Government or contractors with uniforms or vehicles bearing the insignia of the Metropolitan government; or
3. Work on property owned by the Metropolitan Government.

Affiant acknowledges that training must occur within 90 days of the effective date of the contract and/or 90 days of the employee's start date of employment with the affiant.

Affiant states that s/he and the contracting organization are and will remain in compliance with the provisions of MCL 2.230.020.

Affiant affirms failure to remain in such compliance shall constitute a material breach of its agreement with the Metropolitan Government.
