FIRST AMENDED AND RESTATED SITE COORDINATION AGREEMENT

THIS FIRST AMENDED AND RESTATED SITE COORDINATION AGREEMENT (this “Agreement”) is made as of _____, 2024 (the “Effective Date”), by and between THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY (“Metro” or the “Metropolitan Government”) and TENNESSEE STADIUM, LLC, a Delaware limited liability company (“StadCo”). Metro and StadCo collectively are referred to herein as the “Parties” and individually as a “Party.”

RECITALS

WHEREAS, The Sports Authority of The Metropolitan Government of Nashville and Davidson County (the “Sports Authority”) owned approximately 95-acres of property located on the East Bank along the Cumberland River (the “Campus”), as described in **Exhibit B**;

WHEREAS, the entirety of the Campus was previously leased by the Sports Authority to Cumberland Stadium, Inc., a Delaware corporation and successor to Cumberland Stadium, LP, a Tennessee limited partnership (“Cumberland”), an affiliate of StadCo and the National Football League’s (the “NFL’s”) Tennessee Titans, operating as Tennessee Football, LLC (the “Team”), pursuant to that certain Stadium Lease, dated as of May 14, 1996, as amended, between the Sports Authority, as lessor, and Cumberland, as lessee (the “Existing Stadium Lease”), and the Campus is the home to a multi-purpose outdoor stadium currently known as Nissan Stadium (the “Existing Stadium”) and surface parking for the Existing Stadium;

WHEREAS, the Metropolitan Government, the Sports Authority and the Team have determined that the construction of a new, first-class, state-of-the-art, enclosed venue for professional football and numerous other sporting, entertainment, cultural and civic events, and which will be used for hosting Team games (the “Stadium”) will encourage and foster economic development and prosperity for Metro and the State of Tennessee;

WHEREAS, the parties have agreed that the Stadium will be located on an approximately 20-acre portion of property located on the Campus immediately to the east of the Existing Stadium, as generally depicted and more specifically defined in **Exhibit C** (the “Stadium Site”), and that the Existing Stadium will continue to remain in operation until the Stadium commences operations, at which point the Existing Stadium will be demolished;

WHEREAS, the parties have determined that the Metropolitan Government should arrange for the development of those portions of the Campus located outside of the Stadium Site, including the location of the Existing Stadium after its demolition, all as more fully described herein;

WHEREAS, to facilitate the foregoing, (i) the Sports Authority and Cumberland have further amended the Existing Stadium Lease to reduce the leased premises subject thereto to that property described in **Exhibit D** (the “Existing Stadium Site”); (ii) the Sports Authority has conveyed fee title to the entirety of the Campus, other than the Existing Stadium Site, to Metro; and (iii) the Sports Authority has granted Metro an option to purchase the Existing Stadium Site upon the expiration of the Existing Stadium Lease, all such that the Metropolitan Government will ultimately hold fee title to the entirety of the Campus;

WHEREAS, Metro and the Sports Authority have entered into that certain Ground Lease dated as of August 25, 2023, whereby Metro, as lessor, will ground lease the Stadium Site to the Sports Authority, as lessee;

WHEREAS, the Sports Authority and StadCo, have entered into that certain Development and Funding Agreement dated as of August 25, 2023 (the “Stadium Development Agreement”), providing for the financing, development and construction of the Stadium on the Stadium Site, and the rights and responsibilities of the Sports Authority and StadCo related thereto;

WHEREAS, the Sports Authority and StadCo have entered into that certain Stadium Lease Agreement dated as of August 25, 2023 (the “Stadium Lease”), providing for the lease of the Stadium, once completed, by the Sports Authority, as sublessor, to StadCo, as sublessee, and including matters relating to the use, occupancy, operation, maintenance and repair of the Stadium and certain other matters collateral thereto;

WHEREAS, Metro, StadCo and the Sports Authority entered into that certain Site Coordination Agreement dated August 25, 2023 (the “Original SCA”) to set forth certain agreements with respect to (i) the provision and maintenance of parking facilities for the benefit of the Stadium and, while it remains in operation, the Existing Stadium, (iii) the development, design, construction and operation of the Campus at the direction of Metro, and the coordination thereof with Stadium Project Improvements Work, and (ii) the respective rights and obligations of Metro, the Sports Authority and StadCo with respect to the use and operation of the Campus;

WHEREAS, the Original SCA contemplated that Metro could (i) engage one or more third-party developers (each a “Campus Developer”) pursuant to one or more development agreements, long-term ground leases and/or other definitive agreements (each, a “Campus Development Agreement”) to perform development, design and construction of improvements to properties within the Campus, including any Campus Improvements, as defined herein, and (ii) cause each such Campus Developer to execute a joinder agreement relating to all obligations of a Campus Developer under the Original SCA, whereupon Metro would be released from any and all obligations assumed by such Campus Developer;

WHEREAS, Metro has engaged TFC Nashville Development LLC, a Delaware limited liability company (the “IDA Developer”) pursuant to that certain Master Development Agreement dated as of _____, 2024 (the “IDA Development Agreement”), under which Metro will enter into one or more long-term ground leases (each, as it may be amended from time to time in accordance with its terms, an “IDA Ground Lease”) with one or more ground lessees (each, an “IDA Ground Tenant”) to provide for the development of those portions of the Campus identified on **Exhibit E** (the “Initial Development Area”);

WHEREAS, within the Initial Development Area, the parcel identified on **Exhibit E** as Parcel B may be referred to herein as “Development Parcel B”, and the parcel identified on **Exhibit E** as Parcel C may be referred to herein as the “Development Parcel C” (Development Parcels B and C, collectively, the “Stadium-Adjacent Parcels”);

WHEREAS, adjacent to the Stadium Site and Development Parcel C, there is an area that may hereafter be described as the “Second Street Plaza Site”, as further defined in **Exhibit A** and depicted on **Exhibit G**, on which StadCo will design, develop, construct, operate and maintain an open-space plaza (the “Second Street Plaza”) as part of the Project Improvements Work;

WHEREAS, Metro has executed and recorded that certain Declaration of Easements, Restrictions and Covenants for Parcel B, the Stadium Plaza and Parcel C, East Bank dated as of _____, 2024 and applicable to Development Parcel B and Parcel C, including the Second Street Plaza Site (the “Declaration”);

WHEREAS, Metro intends to develop the portion of the Campus not included in the Stadium Site or Initial Development Area, whether as a result of such portions not originally being included in the Initial Development Area or such portions being subsequently removed from the Initial Development Area (the “Future Development Area”) via Campus Development Agreements with one or more Campus Developers;

WHEREAS, to set forth certain agreements regarding the respective rights and obligations of Metro, StadCo and the IDA Developer relative to the design, development, construction, operation, maintenance and use of the properties within the Initial Development Area, and in lieu of IDA Developer executing a joinder to the Original SCA, Metro, StadCo and IDA Developer have entered into that certain Campus Operations and Use Agreement dated as of even date herewith, which provides that the IDA Developer and StadCo will enter into an agreement to coordinate the construction of the Initial Development Area with the Stadium (the “Construction Management Agreement”) (together with the Declaration, the “IDA Coordination Agreements”);

WHEREAS, Metro and StadCo have executed that one certain Stadium Parking License and Operations Agreement dated as of even date herewith (the “Parking Agreement”);

WHEREAS, the Sports Authority was a party to the Original SCA, but the Parties and the Sports Authority have determined that, given the absence of any foreseeable Sports Authority responsibilities under the Original SCA or this Agreement, it is appropriate to remove the Sports Authority as a party to better clarify that the Sports Authority shall have no liabilities under the Original SCA or hereunder; and the Sports Authority has provided its written acknowledgement and agreement to its removal from the Original SCA; and

WHEREAS, Metro and StadCo are executing and entering into this Agreement in light of the foregoing, and to set forth certain agreements with respect to (i) the development, design, construction and operation of the Campus at the direction of the Metropolitan Government, and the coordination thereof with Stadium Project Improvements Work, and (ii) the Parties’ respective rights and obligations with respect to the use and operation of the Campus;

NOW, THEREFORE, in consideration of the foregoing Recitals, which are hereby incorporated into this Agreement, and the mutual premises, undertakings, and covenants hereinafter set forth, and intending to be legally bound hereby, the Parties agree as follows:

ARTICLE 5 CONSTRUCTION DEVELOPMENT AND COORDINATION

Section 5.1 Development of Campus Improvements. The Metropolitan Government may, but shall not be required to, engage one or more Campus Developers pursuant to one or more Campus Development Agreements to perform any development, design and construction of improvements to properties within the Campus, including any Campus Infrastructure (but specifically excluding the Stadium Project Improvements Work) (“Campus Improvements”), provided that any such development, design and construction shall be subject to the terms of this Agreement. Any work undertaken by or on behalf of the Metropolitan Government by a Campus Developer to develop, design and construct Campus Improvements (the “Campus Improvements Work”), shall be undertaken at no cost to StadCo except as otherwise expressly set forth herein. For the avoidance of doubt, subject to Section 5.2(a), the Campus Developer shall have sole approval rights over its final design documents of the Campus Improvements Work.

Section 5.2 Campus Improvements Design and Construction Coordination.

(a) Campus Improvements Plan Review Coordination. The Metropolitan Government agrees to include within each Campus Development Agreement a requirement that the Campus Developer identified thereunder (i) meet and consult with StadCo as part of a collaborative process to allow StadCo to review and provide input with respect to the development and design of the Campus Improvements and in particular the development and design of the Stadium-Adjacent Parcels (if applicable), (ii) consider, in good faith, any opinions and observations StadCo may have with respect thereto, and (iii) endeavor, in good faith, to consult with StadCo at such reasonable times prior to finalization of the various stages of the Campus Improvements design documents by the Campus Developer so that StadCo has adequate time to

provide coordinated input, provided that in no event is the Campus Developer required to delay the design schedule to allow for StadCo review and input. The Parties acknowledge that the purpose of this paragraph is to allow StadCo to review, consult and provide input with regard to various elements of the Campus Improvements design in an effort to coordinate continuity and shared interests as between the Project Improvements and the Campus Improvements.

(b) Campus Improvements Work. The Metropolitan Government agrees to include within each Campus Development Agreement a requirement that the Campus Developer identified thereunder (i) keep StadCo reasonably informed as part of a collaborative process with respect to the Campus Improvements Work, and material modifications thereto, and in particular any Campus Improvements Work occurring on the Stadium-Adjacent Parcels, if applicable (the “Stadium-Adjacent Parcels Improvements Work”), and (ii) meet with the StadCo Representative at time reasonably requested by the StadCo Representative to advise StadCo regarding the status of the Campus Improvements Work. The StadCo Representative shall provide the Campus Developer with its opinions and suggestions related to the Campus Improvements Work with reasonable promptness. The Campus Developer agrees to consider and review opinions and suggestions submitted by the StadCo Representative.

(c) Project Improvements Work. StadCo agrees to include within the Construction Manager at Risk Agreement a requirement that the CMAR (i) keep the Campus Developers reasonably informed as part of a collaborative process with respect to the Campus Improvements Work, and material modifications thereto, and in particular any Stadium-Adjacent Parcels Improvements Work occurring on the Stadium-Adjacent Parcels, and (ii) meet with the Campus Developers at times reasonably requested by a Campus Developer to advise the Campus Developer regarding the status of the Project Improvements Work.

Section 5.3 Performance of the Campus Improvements Work. Except as expressly provided in this Agreement, the Metropolitan Government, or the Campus Developer on its behalf, is responsible for all costs incurred in connection with the Campus Improvements Work, including any costs, charges and fees in connection with supplying the Campus Improvements with all necessary utilities, all costs, charges, and fees payable to any Governmental Authority in connection with the Campus Improvements Work (including all building permits, platting, and zoning fees and street closure fees or any other license, permit or approval under Applicable Laws), and all other site preparation costs, fees or expenses incurred in connection with the design, development, construction, furnishing, and opening of the Campus Improvements. For the avoidance of doubt, neither the Metropolitan Government nor any Campus Developer is responsible for Infrastructure Work or any costs, charges, and fees payable to any Governmental Authority in connection with the Project Improvements Work (including all building permits, platting, and zoning fees and street closure fees or any other license, permit or approval under Applicable Laws), and all other site preparation costs, fees or expenses incurred in connection with the design, development, construction, furnishing, and opening of the Project Improvements.

Section 5.4 General Coordination Obligations. The Metropolitan Government agrees to include within each Campus Development Agreement a requirement that, until the Substantial Completion of the Stadium Project Improvements Work, the Campus Developer and any Campus Contractor identified thereunder, shall comply with the obligations assigned to them below. Likewise, StadCo agrees to include in the Construction Manager at Risk Agreement a requirement

that, until the Substantial Completion of the Stadium Project Improvements Work, the CMAR shall comply with the obligations assigned to it below.

(a) Schedule Coordination. The Campus Developers, Campus Contractors, StadCo and the CMAR shall meet and confer in good faith as required to coordinate construction schedules for the Campus Improvements Work with the construction schedules for the Stadium Project Improvements Work to avoid delays or interference. The Campus Developer and Campus Contractor on the one hand, and StadCo and the CMAR on the other hand, (i) shall meet and confer in good faith from time to time to provide each other with monthly construction schedule updates to extent their work has continuing, potential impacts with respect to delay or interference, and (ii) agree to work in good faith with respect to such schedule coordination. However, the Metropolitan Government shall cause each Campus Developer and any Campus Contractor to agree that any construction work of a material nature that is likely to affect the critical path that is required to achieve Substantial Completion (as that term is defined in the Stadium Lease) of Project Improvements shall take precedence with respect to coordination of schedules. At the first meeting with a Campus Developer, StadCo shall provide to such Campus Developer a construction schedule for the Stadium Project Improvements Work, and prior to commencing construction of any new Campus Improvements within the Stadium-Adjacent Parcels, the Metropolitan Government shall cause each Campus Developer and any Campus Contractor to provide to StadCo with a Campus Improvements Construction Schedule with respect thereto.

(b) Site Management Plan Coordination. The Campus Developers, Campus Contractors, StadCo, and the CMAR shall meet and confer in good faith to coordinate site management plans with respect to the Campus Improvements Work and the Stadium Project Improvements Work. However, the Campus Developers agree that, given the criticality of timing with respect to Stadium opening and the CMAR's compliance with sequencing and schedules in order to accommodate that objective, the Campus Developers shall (and shall cause any Campus Contractors to) give reasonable deference to the CMAR's site management plan as it pertains to necessary site access, parking, staging and storage, including lay down space, crane operations and other construction-related activities, provided that all parties agree to work in good faith to resolve any disputed issues with respect thereto that may arise. In addition, given the tight boundary constraints of the Stadium Site, the Campus Developers agree (and shall cause any Campus Contractors) to coordinate in good faith to afford the CMAR reasonable opportunity for introduction, storage and/or operation of its materials and equipment and performance of its activities on the Campus as may be reasonably required in connection with the performance of the Stadium Project Improvements Work. Once the Stadium is Substantially Complete, StadCo shall give reasonable deference to the Campus Developer's and Campus Contractors' site management plan, provided that such plan does not result in material interference with StadCo's right to use the Campus, including without limitation the Stadium, Second Street Plaza and Campus Park, during Stadium Event Operational Periods, as provided herein, or otherwise result in material interference with StadCo's operations at the Stadium or the Second Street Plaza.

(c) Safety Plan Coordination. The Campus Developer, Campus Contractor, StadCo and the CMAR shall coordinate in good faith with regard to site safety compliance and site security with respect to the Stadium Project Improvements Work and the Campus

Improvements Work, particularly with respect to parking in use by StadCo., TeamCo and their Related Parties and damage to individuals and adjacent property.

(d) Integration of Work. The Campus Developers, Campus Contractors, StadCo and the CMAR shall coordinate in good faith with respect to portions of the Campus Improvements and the Stadium Project Improvements that require integration and shall coordinate with regard to schedules, sequencing, means and methods with respect thereto.

Section 5.5 Access to the Project. StadCo and the Campus Developer shall cooperate in good faith to grant StadCo access to the Campus Improvements, at reasonable times and upon reasonable notice to the Campus Developer, to review the status of the Campus Improvements, provided that StadCo adheres to any safety protocols implemented by the Campus Developer.

Section 5.6 Stadium Events. The Campus Developer and StadCo shall coordinate in good faith to (i) develop and implement a plan to prevent material interference with Stadium Events during Stadium Event Operational Periods caused by Campus construction operations performed by the Campus Developers and any Campus Contractor, including material interference caused by dust, noise, construction traffic and such other construction activity that may have a materially negative impact on Stadium Event operations and (ii) ensure that an available pathway exists on roads, sidewalks and walkways (to the extent controlled by the Campus Developer or Metro and are otherwise in compliance with duly adopted and generally applicable regulations) from agreed upon parking areas to the Stadium Site and they are open and available for pedestrian and vehicular traffic.

Section 5.7 General Cooperation. Subject to the coordination obligations in Section 5.4, the Campus Developers and StadCo agree to cooperate in good faith with the other during the SCA Term so as to keep the other reasonably apprised of any Project Improvements Work and the Campus Improvements Work on an advisory basis and in particular with respect to the Stadium-Adjacent Parcels Improvements Work.

Section 5.8 Environmental Remediation.

(a) Campus. Metro and the Campus Developers are solely responsible for the remediation, disposal, and transport of all Hazardous Materials in connection with the Campus Improvements (i) on that portion of the Campus located outside of the Stadium Site, whether pre-existing or brought to or created on such portion of the Campus, by Metro, the Sports Authority, a Campus Developer, a Campus Contractor or their Related Parties or (ii) on the Stadium Site with respect to the migration of Hazardous Materials from the Campus located outside the Stadium Site to the Stadium Site after the date hereof to the extent caused by Metro, the Sports Authority, a Campus Developer, a Campus Contractor or their Related Parties.

(b) Stadium Site. StadCo and the CMAR are solely responsible for the remediation, disposal, and transport of all Hazardous Materials in connection with the Stadium Project Improvements (i) on the Stadium Site to the extent pre-existing or brought to or created on the Stadium Site by StadCo, the CMAR or their Related Parties or (ii) on that portion of the Campus located outside of the Stadium Site with respect to the migration of Hazardous Materials to such portion of the Campus to the extent caused by StadCo or CMAR.

Section 5.9 Contract Requirements. Metro shall require its Campus Developers to include in all contracts for the performance of any Campus Improvements Work (each a “Campus Contract” and collectively the “Campus Contracts”) to (i) name TeamCo, StadCo and their Affiliates as additional insureds as their interests may appear on all policies of liability insurance (except for workers’ compensation and professional liability) (ii) require such Person to perform the Campus Improvements Work in accordance with Applicable Law, and (iii) grant StadCo and TeamCo an irrevocable (during the Term of the Stadium Lease), non-exclusive license to those necessary portions of the Campus Improvements plans, to use them solely to facilitate StadCo’s operations on the applicable portions of the Campus as provided in this Agreement.

ARTICLE 6

CAPITAL IMPROVEMENTS NECESSARY TO THE OPERATION OF THE STADIUM

Section 6.1 Parking. The terms and conditions regarding the development, maintenance and operation of parking facilities for the benefit of StadCo is set forth in the Parking Agreement.

Section 6.2 Development, Operation and Maintenance of Second Street Plaza. StadCo shall be responsible for designing, developing, constructing the Second Street Plaza as part of the Stadium Project Improvements Work, pursuant to the terms and conditions of the Stadium Development Agreement. The maintenance, repair, use and operation of the Second Street Plaza will be governed by the terms and conditions of the IDA Coordination Agreements.

Section 6.3 Second Street and Adjacent Sidewalks. The portion of Second Street (and adjacent sidewalks and utilities) between Woodland Street and Shelby Street will be developed, designed and constructed on a temporary and permanent basis as part of the Project Improvements (the “Second Street Improvements”). The cost of the Second Street Improvements on both a temporary and permanent basis is included in the Stadium Project Budget. However, Metro shall cause the Sports Authority to reimburse StadCo for 50% of the portion of its costs related to developing, designing and constructing the Second Street Improvements on a permanent basis. StadCo may send Metro and the Sports Authority an invoice for such costs in the manner described in Section 9.9 of the Stadium Lease, and Metro shall cause the Sports Authority to pay such invoice from amounts on deposit in the Eligible Projects Fund in the manner described in the Stadium Lease.

Section 6.4 Campus Park. The Parties agree that a portion of the Campus in substantially the size and location within the Metropolitan Government Planning Department’s Imagine East Bank vision plan, as depicted on **Exhibit F** (the “Campus Park Area”) will consist of an open-space, park area owned by Metro or an instrumentality thereof (the “Campus Park”), to be utilized by StadCo in Stadium Event Operational Periods as more fully described herein. No Campus Improvements Work inconsistent with the reservation of the Campus Park Area shall be undertaken without the prior written consent of StadCo. The Metropolitan Government or its designee shall develop, design and construct the Campus Park at its sole cost and expense. The appropriate Metro officials shall make a good faith effort to present for approval by all necessary governing bodies the construction and funding of the design, development and construction of the Campus Park Area, as and when Campus Improvements Work is being designed, developed and constructed in the Future Development Area.

Section 6.5 Funding as Eligible Project Expenses. The Parties anticipate and agree that the capital projects described in this Article 6, including all projects for parking facilities contemplated by the Parking Agreement, constitute Eligible Projects (as defined in the Stadium Lease), which may be funded in the manner contemplated by Section 9.9 of the Stadium Lease.

ARTICLE 7 COVENANTS, CONDITIONS AND RESTRICTIONS

Section 7.1 General. The Parties acknowledge and agree that the Campus shall be subject to covenants, conditions and restrictions (“CC&Rs”) described in this Article 7 established by Metro but which shall be subject to the reasonable, prior written approval of StadCo and shall be recorded in the Office of the Davidson County Register of Deeds prior to Metro’s conveyance or lease to any Campus Developer or any other third party of any interest in any of the real property described on Exhibit B attached hereto, but in any case, on or before the effective date of a lease to a Campus Developer with respect to such real property.

Section 7.2 Easements. The Parties agree that the CC&Rs shall include easement provisions as follows:

(a) Campus Park. Metro and StadCo will work together to agree upon the terms upon which Metro will establish an easement over the Campus Park for the benefit of the StadCo and its Related Parties.

(b) Access Easement. Metro will establish an easement over the portion of any open space and pedestrian access way located within the Stadium-Adjacent Parcels for the purposes of access, ingress and egress to, from and between the streets abutting and adjacent to the Stadium-Adjacent Parcels and the Stadium Site for the benefit of StadCo and its Related Parties, subject to event protocols to be determined in the CC&Rs.

(c) Utility Easements. Metro and StadCo will work together to agree upon defined easements across, through and upon the Stadium-Adjacent Parcels, other than areas occupied by buildings and any permissible building area, as are reasonably necessary, without materially interfering with the use of the Stadium-Adjacent Parcels, to provide rights-of-way for public or private utility services for the benefit of the Stadium Site and StadCo. The CC&Rs will address coordination of construction schedules and logistics, as reasonably necessary and required.

(d) Footing, Foundation and Attachment Easements. If required for the construction and maintenance of the Stadium foundation and footings, Metro will agree to establish such easements in, on, over and to the Stadium-Adjacent Parcels that abuts the Second Street Plaza for the construction and maintenance of foundations and footings to the extent reasonably necessary in connection with the construction of the Stadium for the benefit of the Stadium Site and StadCo, which easements will provide for, among other things, cooperation with respect to coordination of construction schedules so as to facilitate the construction of improvements on the Stadium Site and the Stadium-Adjacent Parcels.

(e) Additional Easements. The CC&Rs will address other easements reasonably required in connection with an integrated development, including without limitation,

easements for any physical integration and connections at, above or below ground level between various components of the Campus and the Stadium (e.g., pedestrian bridges and loading and service areas), permissible encroachments (if any), installation and existence of lights and signs, construction and lay-down areas (including schedules for the same), airspace rights and use of common areas.

(f) Easements Generally. If, to the extent that this Section 7.2 refers to an easement it may either be an easement or the closest utilitarian equivalent as required by Applicable Law.

Section 7.3 Operation and Maintenance. The Parties agree that the CC&Rs shall include operation and maintenance provisions (with typical provisions in favor of institutional Leasehold Mortgagees and other institutional mortgagees lending to any owner, lessee, or sublessee, which mortgagee's interest is secured by a Leasehold Mortgage or other institutional mortgage) as follows:Building and Utility Lateral Maintenance. The CC&Rs will obligate each owner to keep and maintain, or cause to be kept and maintained, at no expense to the other owners, all buildings and other improvements located on its site and will allocate costs associated therewith and include customary remedies for enforcement in the event such obligations are not satisfied.

(c) Maintenance and Operation of the Campus Park. The CC&Rs will obligate Metro or its designee, at its sole expense, subject to StadCo's obligations set forth below, to maintain the Campus Park. The CC&Rs will provide that StadCo (i) has the right, subject to any then- existing license (unless such license materially impairs StadCo from using a majority of the Campus Park) or Metro rules and regulations with respect to public parks, to use the Campus Park and to collect all revenues deriving from StadCo's use with respect to Stadium Events during Stadium Event Operational Periods, and (ii) is responsible for operating costs with respect to the use and operation of the Campus Park during Stadium Event Operational Periods and for any costs of repair for damage caused by StadCo or its invitees.

Section 7.4 Use Restrictions. The Parties agree that the CC&Rs shall include reasonable use restriction provisions as follows:Off-Premises Signage; Advertising. The CC&Rs will include reasonable provisions granting StadCo the right, subject to customary notice and cure periods, to enter the Stadium-Adjacent Parcels and the Campus Park to cover any signage or advertising installed in violation of Article 7 of this Agreement, as well as to recover reasonable costs and expenses incurred in connection with the same.

(c) Use of Campus Park. Metro and StadCo will cooperate to allocate, within the CC&Rs, rights with respect to rules regarding use of the Campus Park during Stadium Event Operational Periods.

(e) Alcohol Carry Provisions. The parties will work in good faith to address any rights or restrictions relating to alcohol consumption in the Campus Park and the Second Street Plaza.

(g) Interference with Access and Operations of StadCo. The CC&Rs will prohibit interference with access through portions of the Stadium-Adjacent Parcels into the Stadium Site, Campus Park and Second Street Plaza, subject to event protocols to be established

in accordance with the CC&Rs. Metro and StadCo shall work together to establish CC&Rs that protect the respective business interests of StadCo and the Campus Developer, including without limitation, establishing limitations upon actions that may result in the cannibalization of operations at the Stadium Site and Stadium-Adjacent Parcels.

Section 7.5 Additional Reserved Rights. The CC&Rs will address additional reserved rights as follows:Commercial and Campus Events Rights. To the extent appropriately addressed in recorded covenants and restrictions, the CC&Rs will address the commercial rights and the Campus event rights described in Section 8.5 of this Agreement.

(c) Additional Rights of StadCo. Metro and StadCo will work together in good faith to establish a method to establish rights in the CC&Rs in favor of StadCo and the Campus Developer as to signage, including without limitation, fixed and digital, sponsorship activation, programmatic advertising, data, food and beverage sales, merchandise sales, e-commerce, ticket and premium seating packages promotions, the provision of fintech services and application of venue tech throughout the Campus.

ARTICLE 8 CAMPUS USE AND OPERATION

Section 8.1 Campus Park. Metro or its designee shall be responsible for the operation and cost of Campus Park maintenance, and the same shall be managed and maintained in clean and safe condition, and in accordance with all Applicable Laws. StadCo has the right to use the Campus Park and to collect all revenues deriving from StadCo's use with respect to Stadium Events during Stadium Event Operational Periods. StadCo is responsible for operational costs with respect to the use and operation of the Campus Park during Stadium Event Operational Periods, including any and all costs to repair damage to the Campus Park as a result of its use during Stadium Event Operational Periods. Notwithstanding anything herein to the contrary, no portion of the East Bank Greenway (i.e., the existing approximately 14-foot wide paved path located along the Cumberland River) shall be operated by StadCo in any manner that prohibits or limits public access thereto.

Section 8.2 Special Stadium Events. The Parties agree that Metro and the Campus Developer will work together in good faith to determine rights, obligations and other parameters relative to the Campus with respect to Special Stadium Events.

Section 8.3 License. Metro and the Campus Developer hereby grant StadCo and its Related Parties a license and right of access to the Campus for the purpose of performing StadCo's obligations and exercising its rights under this Agreement without charges or fees or the payment of rent other than reimbursement of operating expenses for the use and operation of the Campus Park during Stadium Event Operational Periods, and for any costs of repair for any damage caused by StadCo or its invitees, and subject to the terms of this Agreement and subject to compliance with applicable processes and procedures of Metro. Notwithstanding the foregoing, the rights of StadCo with respect to the Second Street Plaza are set forth in the IDA Coordination Agreements, and this Section 8.3 shall not apply thereto.

Section 8.4 Commercial Matters.

(a) Commercial Rights. Subject to the terms of the Stadium Lease and this Agreement, during the entire SCA Term, Metro, the Campus Developer and their respective Affiliates agree that StadCo shall have the sole and exclusive right to exercise all Advertising Rights, Concession Rights and Hospitality Rights at, on or within any portion of the Stadium, Second Street Plaza and the Campus Park with respect to Stadium Events during Stadium Event Operational Periods and those portions of temporary advertising solely exploited during such Stadium Events, including, the sole and exclusive right to operate, control and sell, and to retain all revenue from the foregoing, and subject to all Applicable Laws, exercise all Data Rights with respect to, at, on or within all or any portion of the Campus with respect to Stadium Events during Stadium Event Operational Periods. However, the Parties agree that the foregoing shall not preclude the Campus Developer or its licensee from operating existing permanent Concessions on the Campus during Stadium Event Operational Periods that are operating under a duly issued license by Governmental Authorities or operating under a license duly issued by a Governmental Authority. StadCo and the Campus Developer will meet and discuss in good faith the potential sharing of certain data derived from StadCo's Data Rights; provided, however, neither StadCo nor the Campus Developer will be under any obligation to share such data with the other Party.

(b) Campus Sponsors. Metro, the Campus Developer and their respective Affiliates agree that they will coordinate with StadCo and TeamCo with respect to the former Parties' solicitation and formal engagement of any Person (such Person, a "Campus Sponsor") to collectively maximize revenue for StadCo and the Campus Developer with respect to Advertising Rights at, on or within any portion of the Campus (excluding the Stadium, Second Street Plaza and Campus Park, which is governed by Section 7.5(b)). The Campus Developer also understands the importance of StadCo and TeamCo's Advertising Rights, and particularly those in a commercial category in which StadCo and TeamCo have granted category exclusivity, and the Developer agrees to work with StadCo in good faith in connection with Campus Sponsor solicitation and engagement acknowledging those concerns, subject to the terms of Ambush Marketing in 8.5(d).

(c) Additional Commercial Rights. Without limiting the foregoing, Metro and the Campus Developer acknowledge and agree as follows:

(i) Subject to the terms of the Stadium Lease and this Agreement, during the entire SCA Term, StadCo and TeamCo will have the sole and exclusive right at the Stadium (and throughout the Campus Park during Stadium Operational Periods) to schedule and control the exhibition, presentation and broadcasting (or other transmission) of all professional sporting events, amateur sporting events or activities, eSports, exhibitions and tournaments, musical performances, theater performances and other forms of live entertainment, fairs, markets, festivals, shows or other public or private exhibitions and activities related thereto (collectively, the "StadCo and TeamCo Events").

(ii) Without StadCo's prior written approval (such approval to be granted at StadCo's sole discretion), no Person shall have the right to control, conduct, sell, lease, license, publish, authorize and grant any opportunities with respect to sports betting and Casinos throughout the Campus, including, without limitation, (x) the right to conduct

and offer games of skill and chance through land-based facilities located on the Campus, or (y) the right to provide wagering on real world sports competitions on the Campus, in each case, to the extent permitted by, and in accordance with, Applicable Law, provided, however the foregoing shall not prohibit gambling or games of chance operated by the Tennessee Lottery or other Governmental Authorities throughout the Campus (other than within the Stadium). No Casino shall be allowed within the Campus without the approval of the Metropolitan Council by ordinance;

(iii) The Campus Developer shall use reasonable efforts to integrate StadCo's technology partners in the course of the design, development and operation of the Stadium-Adjacent Parcels, to achieve coordinated mobile technology, which efforts will include, without limitation, the Campus Developer participating in meetings with StadCo's technology partners and including such partners in requests for proposals and other similar opportunities to provide products and services for use throughout the Campus to enhance the experience of attending Stadium Events or being on the Campus and endeavoring to achieve revenue and cost synergies. Nonetheless, each of StadCo and the Campus Developer may pursue an independent technology solution after meeting in good faith if it determines that a joint approach is not practical or in its best interest. In addition, StadCo shall have the sole and exclusive right to control, conduct, sell, lease, license, publish, authorize and grant any Person metaverse opportunities and other similar digital experiences now existing or hereafter developed at the Stadium, and to receive, retain and control all data related thereto, including, digital real estate mapping, scavenger hunts (e.g., Pokemon Go), AR, VR, music, geotargeted advertising and promotions, games (e.g., Roblox), and future dApps (decentralized applications via Web3) and the right to mint or otherwise develop non-fungible tokens ("NFT") and other digital assets that, in each case, relate to the Team or any Stadium element (e.g., hotel stays, retail benefits, admission tickets, etc.), including, without limitation, any Stadium Event ("Digital Experiences and Assets"). Similarly, the Campus Developer shall retain similar rights with respect to the Campus property. With respect to the Second Street Plaza, StadCo and the Campus Developer agree to work in good faith to develop a plan regarding the foregoing rights and uses of Digital Experiences and Assets; and

(iv) StadCo and the Campus Developer shall have the right to sell and to retain all revenue from the sale of naming rights to the Second Street Plaza, provided that such naming rights shall be subject to a process that is subject mutual written approval of both StadCo and the Campus Developer.

(d) Ambush Marketing. Metro and the Campus Developer will use best efforts without the necessity to resort to exhaustive litigation and without diminishing StadCo's rights in law or equity to protect the Advertising Rights and other rights granted to StadCo under this Section 8.5 from Ambush Marketing. The Parties agree from time to time to discuss in good faith additional actions to be taken to protect StadCo from Ambush Marketing. Metro agrees to take all steps necessary at its own cost and expense to prevent non-sponsor advertisers from engaging in Ambush Marketing, which steps shall include, but not be limited to, Metro and the Campus Developer developing and implementing an Ambush Marketing protection strategy to combat Ambush Marketing and other instances of infringement of intellectual property rights. Metro and the Campus Developer will notify StadCo promptly in writing of any suspected instances of

Ambush Marketing or infringement of, or upon becoming aware of any unauthorized use of, TeamCo or StadCo's intellectual property that affects StadCo's rights hereunder and will assist TeamCo and StadCo in protecting TeamCo and StadCo Intellectual Property. Nothing in this Section 8.5 imposes any obligation on StadCo (or TeamCo, the NFL or any NFL Entity, where applicable) to commence proceedings or to take enforcement action against a third party. Without limiting Metro's and the Campus Developer's other obligations under this Section 8.5, Metro and the Campus Developer will work together in good faith to prevent Negative Advertising against StadCo and TeamCo and their Affiliates and their respective sponsors and other business parties.

(e) IDA Developer. The Parties acknowledge and agree that Metro, StadCo and the IDA Developer have entered into that certain Campus Operations and Use Agreement (the "COUA") pursuant to which each of Metro, StadCo and IDA Developer have agreed to certain terms and conditions regarding commercial matters related to or involving the Initial Development Area and the Second Street Plaza as further described therein (the "COUA Commercial Terms"), and notwithstanding anything to the contrary in this Section 8.4, the COUA shall govern with respect to the COUA Commercial Terms.

ARTICLE 9 INSURANCE AND INDEMNITY

Section 9.1 Policies Required for Stadium Project Improvements Work. The Parties agree to develop insurance requirements that will be maintained by the Campus Developer and Campus Contractors and also StadCo, including coverages, limits, deductibles, endorsements, required additional insureds other industry standard requirements applicable to developments of this size and complexity. The additional insureds on applicable policies shall include, at a minimum, StadCo, TeamCo and its Affiliates or the Campus Developer and its Campus Contractors, as applicable.

Section 9.2 Indemnity. To the fullest extent permitted by Applicable Law, the Campus Developer agrees to defend, indemnify and hold harmless StadCo and its Affiliates from and against all claims, damages, loss, liabilities, fees and expense, including without limitation reasonable attorneys' fees and expenses and expert witness fees ("Loss") to the extent: (i) arising from a breach by Campus Developer of its obligations under this Agreement, (ii) arising out of or in any way incidental to any demolition, construction, use, occupancy or operation on or off the Campus or the Project Improvements incurred by or on behalf of StadCo or any StadCo Related Party, or any invitee or guest of StadCo; or (iii) caused by the negligent acts or omissions of the Campus Developer or a Campus Contractor in performing any work or services on the Campus, provided that such Loss results from bodily injury, sickness, disease or death or damage to property, including loss of use resulting therefrom. The Campus Developer's defense, indemnity and hold harmless obligation shall not extend to the sole negligence of an indemnified party.

Section 9.3 Waiver of Right of Recovery. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND WITHOUT AFFECTING THE INSURANCE COVERAGES REQUIRED TO BE MAINTAINED HEREUNDER OR AS MAY BE SUBSEQUENTLY DEVELOPED BY THE PARTIES, THE AUTHORITY, METRO, THE CAMPUS DEVELOPER (AND EACH CAMPUS CONTRACTOR), STADCO, TEAMCO AND THEIR AFFILIATES EACH WAIVE ALL RIGHTS OF RECOVERY, CLAIM, ACTION OR CAUSE OF ACTION

AGAINST THE OTHER FOR ANY DAMAGE TO PROPERTY, AND RELEASE EACH OTHER FOR SAME, TO THE EXTENT THAT SUCH DAMAGE (A) IS COVERED (AND ONLY TO THE EXTENT OF SUCH COVERAGE WITHOUT REGARD TO DEDUCTIBLES) BY PROPERTY INSURANCE ACTUALLY CARRIED BY THE PARTY HOLDING OR ASSERTING SUCH CLAIM OR (B) WOULD BE INSURED AGAINST UNDER THE TERMS OF ANY INSURANCE REQUIRED TO BE CARRIED UNDER THIS AGREEMENT BY THE PARTY HOLDING OR ASSERTING SUCH CLAIM. THIS PROVISION IS INTENDED TO RESTRICT EACH PARTY (IF AND TO THE EXTENT PERMITTED BY APPLICABLE LAW) TO RECOVERY AGAINST INSURANCE CARRIERS TO THE EXTENT OF SUCH COVERAGE AND TO WAIVE (TO THE EXTENT OF SUCH COVERAGE), FOR THE BENEFIT OF EACH PARTY, RIGHTS OR CLAIMS WHICH MIGHT GIVE RISE TO A RIGHT OF SUBROGATION IN ANY INSURANCE CARRIER. NEITHER THE ISSUANCE OF ANY INSURANCE POLICY REQUIRED UNDER, OR THE MINIMUM LIMITS SPECIFIED HEREIN SHALL BE DEEMED TO LIMIT OR RESTRICT IN ANY WAY A PARTY'S LIABILITY ARISING UNDER OR OUT OF THIS AGREEMENT PURSUANT TO THE TERMS HEREOF. AS BETWEEN (I) STADCO AND (II) THE CAMPUS DEVELOPER AND EACH CAMPUS CONTRACTOR, THE LATTER SHALL BE LIABLE FOR ANY LOSSES, DAMAGES OR LIABILITIES SUFFERED OR INCURRED BY STADCO, TEAMCO OR ITS AFFILIATES AS A RESULT OF ANY FAILURE TO OBTAIN, KEEP, AND MAINTAIN OR CAUSE TO BE OBTAINED, KEPT, AND MAINTAINED, THE TYPES OR AMOUNTS OF INSURANCE REQUIRED TO BE KEPT OR MAINTAINED OR CAUSED TO BE KEPT OR MAINTAINED BY UNDER THE TERMS OF THIS AGREEMENT.

Section 9.4 Indirect, Special, Exemplary or Consequential Damages. NO PARTY WILL BE LIABLE TO ANY OTHER PARTY FOR ANY INDIRECT, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR LOSSES OF ANY KIND OR NATURE, INCLUDING DAMAGES FOR LOSS OF PROFITS, BUSINESS INTERRUPTION OR LOSS OF GOODWILL ARISING FROM OR RELATING TO THIS AGREEMENT, EVEN IF SUCH PARTY IS EXPRESSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. A Party's elected officials, appointed officials, board members, members, shareholders and other owners, directors, officers, employees, agents, and attorneys or other representatives shall not be personally liable for any obligations or other matters arising under this Agreement.

ARTICLE 10 DEFAULTS AND REMEDIES

Section 10.1 Events of Default and Remedies. The Parties will work in good faith to develop a mutually agreeable default and remedy clause with respect to matters arising out of this Agreement. The Parties specifically agree that any such default and remedy clause shall include a provision that says this Agreement shall terminate upon termination of the Lease Agreement pursuant to its terms; and that, otherwise, the Parties to this Agreement may not terminate this

Agreement on any other grounds. For avoidance of doubt, the Parties agree that any amendments to this Section implementing the foregoing clause are subject to Section 13.2.

ARTICLE 11 STANDARDS FOR APPROVALS

Section 11.1 Review and Approval Rights. The provisions of this Article 11 shall be applicable with respect to all instances in which it is provided under this Agreement that StadCo or the StadCo Representative, Metro or the Metro Representative, or any Developer exercises Review and Approval Rights; *provided, however*, that if the provisions of this Article 11 specifying time periods for exercise of Review and Approval Rights shall conflict with other express provisions of this Agreement providing for time periods for exercise of designated Review and Approval Rights, then the provisions of such other provisions of this Agreement shall control. As used herein, the term “Review and Approval Rights” shall include, without limiting the generality of that term, all instances in which one Party (the “Submitting Party”) is permitted or required to submit to the other Party or to the representative of that other Party any document, notice or determination of the Submitting Party and with respect to which the other Party or its representative (the “Reviewing Party”) has a right or duty hereunder to review, comment, confirm, consent, Approve, disapprove, dispute or challenge the submission or determination of the Submitting Party.

Section 11.2 Standard for Review.

(a) General. Unless this Agreement specifically provides that a Party’s Review and Approval Rights may be exercised in the sole discretion of the Reviewing Party, then in connection with exercising its Review and Approval Rights under any provision of this Agreement, and whether or not specifically provided in any such provision, the Reviewing Party covenants and agrees to act in good faith, with due diligence, and in a fair and commercially reasonable manner in its capacity as Reviewing Party with regard to each and all of its Review and Approval Rights and to not unreasonably withhold, condition or delay its Approval of, consent to or confirmation of any submission or determination. The Reviewing Party shall review the matter submitted in writing and shall promptly (but in any event within fifteen (15) days after such receipt) give Notice to the Submitting Party of the Reviewing Party’s comments resulting from such review and, if the matter is one that requires Approval or confirmation pursuant to the terms of this Agreement, such Approval, confirmation, disapproval or failure to confirm, setting forth in detail the Reviewing Party’s reasons for any disapproval or failure to confirm. Any failure to respond within the foregoing fifteen (15) day period shall not be deemed to be an approval or confirmation of the matter submitted unless within five (5) Business Days thereafter the submitting party resubmits the matter in writing with a prominent, all capital letters disclaimer that states – THIS IS A RESUBMISSION OF A PREVIOUSLY SUBMITTED MATTER TO WHICH TIMELY RESPONSE WAS NOT MADE AND FAILURE TO RESPOND TO THIS RESUBMISSION WITHIN A FURTHER TEN (10) DAYS SHALL BE DEEMED TO BE AN APPROVAL ASSUMING THAT PERFORMANCE OF THE SUBMITTED MATTER IS LAWFUL.

(b) Specific Matters. Unless otherwise provided herein, the Reviewing Party’s right to disapprove or not confirm any matter submitted to it for Approval or confirmation

and to which this Section 11.2 applies shall be limited to the elements thereof: (a) that do not conform in all material respects to Approvals or confirmations previously given with respect to the same matter; (b) that propose or depict matters that are or the result of which would be a violation of or inconsistent with the provisions of this Agreement or Applicable Law, and (c) ensure functional coordination with the Stadium Plans.

Section 11.3 Resubmissions. If the Reviewing Party disapproves of or fails to confirm a matter to which this Section 11.3 applies within the applicable time period, the Submitting Party shall have the right, within twenty (20) days after the Submitting Party receives Notice of such disapproval or failure to confirm, to re-submit the disapproved or not confirmed matter to the Reviewing Party, altered to satisfy the Reviewing Party's basis for disapproval or failure to confirm (all subsequent re-submissions with respect to such matter must be made within ten (10) days of the date the Submitting Party receives Notice of disapproval or failure to confirm of the prior re-submission). The applicable Submitting Party shall use reasonable efforts to cause any such re-submission to expressly state that it is a re-submission, to identify the disapproved or not confirmed portion of the original submission and any prior resubmissions, and to not be included with an original submission unless the matter previously disapproved is expressly identified thereon. Any resubmission made pursuant to this Section 11.3 shall be subject to Review and Approval Rights of the Reviewing Party in accordance with the procedures described in this Article 10 for an original submission (except that the Review and Approval Rights shall be limited to the portion previously disapproved or not confirmed), until such matter shall be Approved by the Reviewing Party.

Section 11.4 Duties, Obligations, and Responsibilities Not Affected. Approval or confirmation by the Reviewing Party of or to a matter submitted to it by the Submitting Party shall neither, unless specifically otherwise provided (a) relieve the Submitting Party of its duties, obligations or responsibilities under this Agreement with respect to the matter so submitted nor (b) shift the duties, obligations or responsibilities of the Submitting Party with respect to the submitted matter to the Reviewing Party.

ARTICLE 12 DISPUTE RESOLUTION

Section 12.1 Settlement By Mutual Agreement. In the event any dispute, controversy or claim between or among the Parties arises under this Agreement or any right, duty or obligation arising therefrom or the relationship of the Parties thereunder (a "Dispute or Controversy"), including a Dispute or Controversy relating to the (a) effectiveness, validity, interpretation, implementation, termination, cancellation or enforcement of this Agreement or (b) the granting or denial of any Approval under this Agreement, the Parties shall first attempt in good faith to settle and resolve such Dispute or Controversy by mutual agreement in accordance with the terms of this Section 12.1. In the event a Dispute or Controversy arises, either Party shall have the right to notify the other that it has elected to implement the procedures set forth in this Section 12.1. Within fifteen (15) days after delivery of any such notice by one Party to the other regarding a Dispute or Controversy, each Party's representative shall meet at a mutually agreed time and place to attempt, with diligence and good faith, to resolve and settle such Dispute or Controversy. If a mutual resolution and settlement are not obtained at the meeting of the Party's representatives, they shall cooperate in a commercially reasonable manner to determine if mediation or other forms of

alternative dispute resolution might be useful. If a technique is agreed upon, a specific timetable and completion date for implementation shall also be agreed upon. If such technique, timetable or completion date is not agreed upon within thirty (30) days after the notice of the Dispute or Controversy was delivered, or if no resolution is obtained through such alternative technique, or if no such meeting takes place within the fifteen (15)-day period, then either Party may file suit in a court of competent jurisdiction in Davidson County, Tennessee.

ARTICLE 13 EFFECT OF IDA COORDINATION AGREEMENTS

Section 13.1 Exclusion of the Initial Development Area. Notwithstanding anything herein to the contrary, the provisions of this Agreement shall not be applicable to the (i) Campus Improvements Work contemplated by the IDA Development Agreement and/or any IDA Ground Lease or (ii) rights and responsibilities of the IDA Developer and any IDA Ground Tenant with respect to parcels of Campus property, so long as such parcels remain part of the Initial Development Area, as contemplated by the IDA Development Agreement, the IDA Ground Leases and the IDA Coordination Agreements; instead, the rights and responsibilities of Metro, the IDA Developer, each IDA Ground Tenant and StadCo with respect thereto shall be governed by the IDA Coordination Agreements. For the avoidance of doubt, (i) this Agreement does not apply to the IDA Developer, any IDA Ground Tenant, the parcels of Campus property within the Initial Development Area or any Campus Improvements Work contemplated by the IDA Development Agreement or IDA Ground Leases; and (ii) the Metropolitan Government shall have no responsibilities as a Campus Developer under this Agreement with respect to any parcel of Campus property within the Initial Development Area or any Campus Improvements Work contemplated by the IDA Development Agreement or IDA Ground Leases, except to the extent such parcel subsequently is treated under Section 13.3 of this Agreement as a Future Development Area.

Section 13.2 Application to Future Development Area. The Parties agree that, in connection with the execution of a Campus Development Agreement contemplating the development of any parcel of the Future Development Area, the execution and delivery of agreements (or other documents or instruments, as applicable) substantially similar to the IDA Coordination Agreements shall likewise be sufficient to exclude (i) the Campus Improvements Work contemplated by such Campus Development Agreement, and (ii) the rights and responsibilities of the Campus Developer and any ground tenant of such parcel of the Future Development Area from the provisions of this Agreement; and in such case, the rights and responsibilities of the parties to such agreements, documents or instruments shall be as set forth therein. The Parties agree that, in determining whether such agreements, documents or instruments are substantially similar to the IDA Coordination Agreements, provisions related to Future Development Area parcels that are not Stadium-Adjacent Parcels will be evaluated solely against provisions of the IDA Coordination Agreements that relate to parcels within the Initial Development Area that are not Stadium-Adjacent Parcels. The Parties shall in good faith discuss any objections StadCo, Metro and/or any actual or prospective Campus Developer may have to the execution and delivery of such substantially similar agreements, documents or instruments in connection with the development, design, construction, operation and maintenance improvement of one or more parcels within the Future Development Area. Notwithstanding the foregoing, all provisions of this Agreement applicable to the Campus Park shall remain in effect as set forth herein.

Section 13.3 Removal of Campus Property from the Initial Development Area. Any parcel of Campus property that ceases to be subject to either the IDA Development Agreement or an IDA Ground Lease shall cease to be treated hereunder as part of the Initial Development Area, and shall thereafter be treated as being within the Future Development Area. The Metropolitan Government shall provide written notice to StadCo within 30 days following the date on which any parcel of Campus property ceases to be included within the Initial Development Area as described in the preceding sentence.

Section 14.3 Waivers. The failure of a party hereto at any time or times to require performance of any provision hereof shall in no manner affect its right at a later time to enforce the same. No waiver by a Party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement shall be effective unless in writing, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach in other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.

Section 14.4 Counterparts. This Agreement may be executed and delivered in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
