➤ **Reading of CoC’s anti-racism pledge**

“We define racism as racial prejudice plus the misuse of power by systems and institutions (misuse can be intentional or unintentional). We are mindful of the racial inequities across housing, economic mobility, health care, criminal justice, and other systems. These all contribute to racial inequities in homelessness. We pledge to stay mindful of the power and privilege that we bring into every space that we enter and conversation that we have. We pledge to actively and intentionally practice antiracism when participating in CoC Committee meetings, representing this committee and the CoC in the community, and in talking about homelessness and housing issues in Nashville.”
