2024031986      On April 29, 2024 between the hours of 9:00 am and 3:00 pm, Sentry Steel would like to close 9th Ave N from Church St to Commerce St. for a crane lift. Sentry Steel needs to deliver 5 big fans to the 10th floor and have the crane hold the fans in place while they install the fans. APS will have 2 officers on site to facilitate vehicular traffic and pedestrian safety. Sentry Steel has already talked to the construction companies at 801 Church St, that are involved with the building construction and have coordinated with them on the delivery and install time frame of the fans they are hoping for (No work to be done on Church St.)

2024034254	Clark Construction is going to be hanging an overhead fire suppression system, starting April 22nd through May 3rd. Clark Construction would like to perform this work from 8pm - 5am. Due to work being done over the roadway, Clark Construction is requesting a road closure on 10th Ave N., from Commerce St., north 220 yards, to just before the Amazon Tower Loading Dock. Clark Construction will have multiple crews working overhead from lifts in the roadway, starting at 8pm to get the work done in the most efficient and safe manner, ensuring we can reopen the roadway by 5am. Clark Construction will have 2 officers present during the closure. The proper signage will be placed at 10th and Commerce, stating the road is closed and directing traffic east up Commerce. Signage will be placed at Charlotte, stating the roadway is closed to through traffic. Clark Construction will provide all needed signage.				8pm - 5am only
