

FIGURE SKATING PRACTICE SESSIONS

222 25th Ave. N., Nashville, TN 37203, 615-862-8480, www.CentennialSportsplex.com

■ PURCHASING

- You may purchase practice sessions in packages (see below) or one at a time (Walk-On). Packages save you money.
- We credit your practice sessions to your account after you purchase.
- Generally, practice sessions expire one year after purchase date.

■ USING

- Look for sign-in sheets near the doors going onto the ice.
- Find the correct time of your sessions at the top of each sign-in sheet and then sign in on the correct sheet.
- Sign in *before* each practice session—not during or after.
- Sign in for each practice session *or part of* each practice session you skate. **You may not split** your skating time between rinks or between sessions. In other words, you cannot skate even part of one session and part of another or part of a session on Rink A and part on Rink B. If you do, you must sign in for each session or rink on which you skate.
- If you are skating on a practice session for a *class*, sign in *and* check the Class column on the sign-in sheet.
- If your instructor has arranged for you to skate at an *unscheduled time*, sign in on any available sign-in sheet and include the time that you skated. Otherwise, immediately let management know the time that you just skated.
- Get on the ice when a session begins, not *early*. Likewise, do not skate *late*, after a practice session ends.

- Adhere to level guidelines to help us maintain the best safety and learning conditions. If there is a wide discrepancy between your USFS test level and your ISI test level, we may not permit you to skate certain sessions:

Session Type	Test Level (passed)
BO	Beginner–FS3, Pre-Preliminary–Preliminary
OP	All Levels
FL	Delta–FS4, Pre-Prelim.–Pre-Juvenile Free Skating
FH	FS4–10, Juvenile Free Skating & above
FM	All Freestyle Levels
