

NDOT

Follow us @NashvilleDOT

Week Ending June 17, 2022

The Nashville Department of Transportation & Multimodal Infrastructure develops and maintains a transportation network that offers choice and connects neighborhoods, residents, and businesses to the places they need and want to go in a safe and efficient manner.

NDOT Litter Briefing with Mayor Cooper and Council Member Brandon Taylor

Earlier this week, Mayor Cooper and Council Member Brandon Taylor met with NDOT to discuss ways in which staff are working to eliminate litter and make Nashville's streets cleaner. In this year's budget, Mayor Cooper is proposing more resources to bolster our teams' efforts and ensure that all Nashville residents can feel pride in their communities.

Since January 1, 2022, NDOT crews removed over 455 tons of litter and debris from the Metro right-of-way. Crews covered over 1,217 miles of right-of-way. Our crews have also responded to 561 litter requests that have been processed through hubNashville. NDOT crews are currently working weekend overtime to improve right-of-way cleanliness and address the large volume of litter removal work orders.

As of April 18, 2022, NDOT acquired a litter contract with Big AI's litter removal. The contractor is using existing brush collection zones to begin their work. Big AI's started in Zone 10 and will be working clockwise around the county. During this rotation, the contractor has cleaned up 1,700 miles of right-of-way and collected 60 tons of litter. NDOT's right-of-way maintenance inspectors will be assigned to the work zones to monitor the contractor's efficiency and productivity throughout the life of the contract. NDOT staff will also coordinate weekly correspondence with the contractor on progress and any issues that may arise.

NDOT and Partners Launch Connect Downtown Public Survey to Hear from Residents & Business Owners – **Survey Deadline Extended to Thursday, June 30**

Connect Downtown is a joint project of the Nashville Department of Transportation & Multimodal Infrastructure (NDOT), [WeGo Public Transit](#), the [Nashville Downtown Partnership](#), and the [Tennessee Department of Transportation](#) (TDOT) to improve mobility and address traffic congestion in the downtown core. We're looking for feedback from residents and business owners about transportation issues in order to develop strategies and solutions that work for everyone. Take the survey by clicking here: [Connect Downtown Survey](#).

This effort will identify projects, programs, and policies to help us better manage downtown's increasing congestion and make it easier for people to get around by all modes of transportation. We'll look at traffic and curbside management strategies; transit improvements; walking, rolling, and biking projects; and Vision Zero safety strategies. Our goal is to support both current and future Nashvillians, planning for the anticipated growth in residential, employment, and commercial development and ensuring that Nashville remains a great destination for visitors.

Neighborhood Clean-Ups

Help Keep Nashville Beautiful by organizing a clean-up or planting project in your neighborhood. Learn about how to [organize a cleanup](#) or where you can borrow tools free of charge from [Nashville's Tool Share](#) program!

Clean-ups scheduled through Friday, June 3:

- Cotton Lane Community Cleanup – 4527 Nolensville Pike (District 27)
 - Saturday, June 18 from 9 a.m. to 11 a.m.
- Hamilton Creek Park Community Cleanup – 2901 Bell Road (District 13)
 - Saturday, June 18 at 9 a.m. to 11 a.m.
- Old Smith Springs Road Community Cleanup – 2808 Old Smith Springs Road (District 29 & 33)
 - Saturday, June 18 from 9 a.m. to 12 p.m.
- North Nashville Community Cleanup – 1755 Dr. D. B. Todd Jr. Blvd. (District 21)
 - Saturday, June 18 from 9:30 a.m. to 12 p.m.
- Hillsboro-West End Neighborhood Beautification Project – intersection of Natchez Trace, Westmoreland Drive, and Blair Blvd (District 18)
 - Sunday, June 19 from 9 a.m. to 11 a.m.
- Jackalope Brewing Company Community Cleanup – 429B Houston Street (District 17)
 - Sunday, June 19 from 11:30 p.m. to 12:30 p.m.
- Church Street Park Community Cleanup – 600 Church Street (District 19)
 - Wednesday, June 22 from 4 p.m. to 5:30 p.m.

- Friends of Shelby Park and Bottoms Community Cleanup – 401 S. 20th Street (District 6)
 - Friday, June 24 from 9 a.m. to 11 a.m.
- Friends of Shelby Park and Bottoms Community Cleanup – 402 S. 20th Street (District 6)
 - Thursday, June 30 from 5 p.m. to 7 p.m.

Adopt-A-Street Program

Metro Beautification's Adopt-a-Street program is a great and inexpensive way that churches, businesses, neighborhood groups or individuals can help to keep Nashville beautiful. To learn more about the program or to Adopt-A-Street visit our website, AdoptAStreet.Nashville.gov.

Clean-ups scheduled through Friday, June 3:

- Administrators Anonymous – O'Brien Avenue (District 20)
 - Saturday, June 18 from 6 a.m. to 8 a.m.
- Alpha Phi Alpha Fraternity, Inc. – Intersection of Dr. Martin Luther King Jr. Blvd. and 3rd Ave North (District 19)
 - Saturday, June 18 from 9 a.m. to 11 a.m.
- Long Hunter Chase Community – Intersection of Smith Springs Pkwy. and Mt. View Road (District 33)
 - Saturday, June 25 from 8 a.m. to 10 a.m.
- Recycle and Reinvest – 81 Claiborne Street (District 19)
 - Sunday, June 26 from 1 p.m. to 4 p.m.
- LDA Engineering – S. 5th Street (District 6)
 - Wednesday, June 29 from 8 a.m. to 1 p.m.
- Larry and Marla Ellis – 605B Bagleyshop Drive (District 20)
 - Friday, July 1 from 8 a.m. to 10 a.m.

Litter

Last week: 17.94 tons collected over 336.03 miles

Capital Projects

[NDOT Capital Projects](#) | [Pre-Construction Manual](#) and [Construction Management Manual](#).

N. Nashville Bikeways

Two-Week look ahead as weather allows:

- PRI to complete installation of bike symbols with arrows on green background.
- PRI to continue installation of GREEN MMA and install the WHITE symbols on the MMA where applicable.
- Marking Impressions to continue permanent thermoplastic marking installation.
- Vulcan to continue delineator and sign installation.

Madison Station Blvd Project

Completed concrete crosswalk and curb ramps on Madison Station Blvd. at Old Hickory Blvd. Contractors have been working on site finishes in between Gallatin and Madison intersections. Continued excavating for bioswale between Madison and Woodruff St. intersections. Continued prepping grade for flatwork up towards Old Hickory Blvd. Poured sidewalk and driveways up to the Culture Bar business on the east side of Madison Station Blvd. Poured sidewalk and driveways on the west side of Madison Station Blvd. Paved driveway entrance to FiftyForward.

Traffic Calming

[Metro Neighborhood Traffic Calming Program](#)

Demand for the Traffic Calming program, with over 200 applications, currently outpaces our available resources requiring NDOT to prioritize projects. Neighborhoods are prioritized based on crash history (40%), measured speeds (30), and neighborhood characteristics (30%).

Once a neighborhood is selected, NDOT staff will meet with the neighborhood to give an overview of the traffic calming toolbox, share the data that has been collected, and kick-off the design process. Once a design is finalized, neighbors will be asked to approve the project through a petition with 70% of homeowners in agreement. The construction phase will begin as soon as the completed petition is received.

We are currently collecting data on all new applicants since July 2020 and moving quickly with the 25 projects selected in the fall. In addition, [NDOT selected 25 more projects last winter](#) which will begin with community meetings in the spring/early summer.

NOTE: An interactive public-facing Traffic Calming Status Tracker with the information below will be made available soon on the Neighborhood Traffic Calming webpage.

Metro Neighborhood Traffic Calming Program (Week of June 20th & June 27th)

- Second Meeting: Forest Cove – June 30th @ 6:30 p.m.
- Second Meeting: Owendale – June 23rd @ 6:30 p.m.
- Second Meeting: Lincoya Hills – June 18th @ 10 a.m.

Radar Speed Trailer Locations (Week of June 20th)

Potholes

From 6/2/22 thru 6/15/22: 1,142
YTD: 20,678 (Jan 1, 2022)

Paving

Notice of milling and paving on a Metro roadway is required to be handled by the contractor via door hanger or mailing prior to the commencement of the project. Additional notification is required to be presented to the homeowner if a construction sign is going to be placed on their property. Report any violations directly to [hubNashville](https://hub.nashville.gov) [hub.Nashville.gov].

- [2022 Spring Paving Projects](#) - These projects were funded in 2021 and will be completed this spring before we begin work on the Summer 2022 Paving Projects.
- [2022 Summer Paving Projects](#) - Summer 2022 paving is expected to begin in late March/early April, weather dependent.

NOTE: All paving projects are weather dependent.

Roadway Closures Information

The right-of-way closures map allows the public to see where street, lane and sidewalk closures exist. It also allows motorist to plan their routes based upon active lane and street closures. **The map is updated every two hours.** You can access the map on the Roadway Closures webpage, <https://www.nashville.gov/departments/transportation/street-maintenance/road-closures>.

***The information does not reflect unplanned closures or restrictions due to traffic collisions or other emergencies. Road closures are subject to change.**

Roadway Closures

[Home](#) > [Departments](#) > [Transportation](#) > [Street Maintenance](#)

The Nashville and Davidson County Active Right-of-Way Closures page provides you with information regarding road construction that may affect vehicular and pedestrian traffic. The information does not reflect unplanned closures or restrictions due to traffic collisions or other emergencies. If you have any questions, call the Nashville Department of Transportation and Multimodal Infrastructure (NDOT) Permits Office at 615-862-8782.

Interactive Map

Temporary right-of-way closures may be required for construction, street maintenance, or special events. All closures to the public right-of-way require a permit from the Nashville Department of Transportation and Multimodal Infrastructure (NDOT).

The street, lane, and sidewalk closures map displays active right-of-way closures in Nashville and Davidson County. The interactive map is updated every two hours.

To view active street, lane, and sidewalk closures in Nashville and Davidson County, use the [NDOT Active Street, Lane, and Sidewalk Closures map](#).

TDOT Roadway Closures Information

To view a full list of construction projects and Lane Closure Report for Middle Tennessee, June 2-6, 2022, visit <https://www.tn.gov/tdot/news/2022/6/16/middle-tennessee-scheduled-lane-closures-june-16-22--2022.html>.

*Most work is weather dependent and subject to change due to inclement weather. From your desktop or mobile device, get the latest construction activity and live streaming SmartWay traffic cameras at www.TNSmartWay.com/Traffic.

Projects Underway the Week of 6/19/2022 – 6/25/2022

| KEY | |
|-----------------------------|--|
| Casting Adjustments | Adjustment (lowering) of utilities to allow milling machines to traverse the roadway without damaging utility assets. Re-adjustment (raising) of utilities so that they will again be flush with the new surface that will be applied. |
| Milling/Undercutting | Removal (milling) of old surface using a milling machine. All milled surfaces must be cleaned by the milling contractor and marked appropriately to safely direct traffic. During undercutting the old surface that has failed is cut out and new material is put back in before it is resurfaced. |
| Infrared | A technique where infrared heating systems apply heat to pavement surfaces and aid in the removal of existing material and replacement with new asphalt mixture. |
| Signal Loop Wires | Signal Loop Wires are installed under the pavement. They are used to detect vehicles passing or arriving at a traffic light. |
| Crack Seal | A sealant put into the construction joint to keep water out so the road will not depreciate. |
| Fog Seal | A sealing put on the road to give the road an extended period before it gets paved. |

NDOT knows that stewardship starts at our own front door, so #teamndot hosted a litter cleanup around our S. 5th office on Saturday. Thanks to CM @brettawithers for joining the fun.

To register a community cleanup, visit [StopLitter.Nashville.gov](#).
