

**METROPOLITAN BEER PERMIT BOARD
AT-A-GLANCE
DECEMBER 2019**

**MESSAGE FROM THE
EXECUTIVE DIRECTOR**

As we close out 2019, I would like to take a moment to thank everyone who made this year a success! The hard work and dedication of my team was invaluable. The volunteer service from each of our board members was critical. All of this combined with the entrepreneurial and innovative spirit of our local beer industry has created a strong foundation for our incredible city.

As we prepared for 2019, my goal was simple, continue to improve our reputation through better communication with the general public and local industry, while simultaneously improving each customer experience. I believe we made great strides in meeting that goal. For one, this newsletter has been a success by enabling us to communicate board business to the general public and the industry. We also worked to improve customer experience, as you can now submit a catering notice through our online link: <https://www.nashville.gov/Beer-Board/File-Catering-Notice.aspx>. Further, permit holders can update contact information using this link: <https://www.nashville.gov/Beer-Board/Update-Permit-Holder-Contact-Information.aspx>.

As we prepare to enter 2020, our end goal is the same - continue our progress toward being a highly-respected beer board with a reputation for innovation that represents Nashville with a high degree of integrity. With that, we wish you a safe and enjoyable holiday season!

Thank You - Benton
