**MESSAGE FROM THE
EXECUTIVE DIRECTOR**

As we wind down another privilege tax season, I want to take a moment to thank everyone who completed the contact form we included with each privilege tax letter. This project was extremely successful, as it exposed many permit holders with outdated contact information in their files. Also, we saw a record number of permit holders pay their annual privilege tax early through our online portal, which in turn saved the beer board staff the time and expense of sending those permit holders our annual privilege tax letter. By updating the contact information in our files and utilizing communication through electronic means, we have moved one step closer to becoming fully electronic, reducing paper waste, and saving the tax payers money. These improvements are critical to our success. In the coming year, we have several new and exciting projects awaiting implementation. We look forward to working with permit holders and the general public to make this the best year yet! Thank You! Benton
