RE: **Suspension of the Rule 11**

I plan to introduce a late ordinance changing .59 acres from R6 to SP zoning for properties located at 122 and 124 Oceola Avenue to permit up to 8 residential units. A copy of the ordinance is on the reverse side of this memo.

This ordinance is being submitted as an emergency late item this evening due to the information I needed to move forward was received after the March 29th filing deadline.

I am, therefore, asking your support as I request a suspension of Rule 11 to allow the ordinance to be introduced this evening. Further, I respectfully request your favorable consideration.
