**CTR Coatings**

Strengths – Demonstrated current technology. Metro would be a top priority. They have GPS reporting equipment available which tracks live feed.

Weaknesses – Only one individual has experience painting fire hydrants. Only demonstrated experience painting large equipment. Failed to demonstrate project experience of similar size, scope and complexity.

**Elite Coatings, LLC**

Strengths – Metro would be a top priority.

Weaknesses – Failed to demonstrate project experience of similar size, scope and complexity. Failed to explain the use of man power, materials or technology in order to complete the projects efficiently within the constraints outlined in the scope.

**DMD Consultants, Inc.**

Strengths – Demonstrated experience painting fire hydrants, specifically with Metro. Capability of reporting daily work experience. The use of a mobile data collection platform which provides live streaming data. Ability to paint 12,000 hydrants in one year. Metro will be the top priority.

Weaknesses – Lacked detail on the use of man power and materials to paint 12,000 hydrants per year.
