## INTRODUCTION

---

The Office of Financial Accountability (hereinafter referred to as “OFA”) has completed a monitoring review of Fannie Battle Day Home for Children. A monitoring review is substantially less in scope than an audit. The OFA did not audit the financial statements and, accordingly, does not express an opinion or any assurances regarding the financial statements of the Fannie Battle Day Home for Children or any of its component units. The OFA is responsible for the internal monitoring of Metropolitan Government of Nashville and Davidson County (hereinafter referred to as “Metro”) agencies that receive federal and state financial assistance, including cooperative agreements and non-profit organizations that receive appropriations and Community Enhancement Funds from Metro government. In summary, any agreement(s) that imposes performance and/or financial requirements on Metro government is subject to review by the OFA.

The purpose of this review was to assess the agency’s compliance with contractual requirements set forth in the following contract with Metro Government:

<b>Contract</b>	<b>Type</b>	<b>Amount</b>	<b>Contact Term</b>	
L-2814	Community Enhancement Funds	\$47,000	July 1, 2012	June 30, 2013

### **Agency Background**

Fannie Battle Day Home for Children, the oldest child care center in Middle TN and a 501(c)3 non-profit organization, offers 100+ at-risk youth ages 6 weeks to 12 years year-round, high-quality early childhood education. Fees are set on a sliding scale according to income, and families are required to be working, in school or in a job training program. Programs are enhanced by enrichment activities and families are encouraged to attend Family Nights.

## OBJECTIVES, SCOPE AND METHODOLOGY

---

The objectives of our review were:

- 1) To determine whether the agency had the resources and capacity to administer the grant funds.
- 2) To determine if costs and services were allowable and eligible.
- 3) To verify that program objectives were met.
- 4) To test the reliability of the financial and programmatic reporting.
- 5) To verify contractual compliance.

The scope of our review was limited to the contract term July 1, 2012 through June 30, 2013.

Audit procedures included meeting with agency management and staff, reviewing the design of internal controls as a basis for establishing our testwork, reviewing board minutes and obtaining written representations from management. In addition, we examined certain financial records and supporting documentation necessary to ensure compliance with contractual requirements set forth in contract L-2814. Specific procedures included:

- Interviewing the employees responsible for grant management, financial reporting and accountability.
- Reviewing supporting documentation of expenditures for allowability, necessity and reasonableness.
- Reviewing the agency's general ledger and verifying the accuracy of all invoices submitted to Metro.
- Reviewing documentation to determine that funds were used for intended beneficiaries and expended in accordance with the spending plan of the contract.
- Reviewing documentation to support program activities for consistency with grant requirements.
- Assessing the financial stability of the agency and its ability to continue to administer the grant program funded by Metro.

## RESULTS OF REVIEW

---

The overall results of the monitoring review are provided in this section. Results are based on testwork performed and include conclusions regarding specific review objectives and, if applicable, recommendations for improvement and an action plan for implementation. Where applicable, the Findings and Recommendations section of this report provides more insight into any issues identified below.

### **1. Sufficient Resources and Capacity to Administer Grant Funds**

Our review of the agency's accounting system and the qualifications of the individuals assigned to manage the accounting records indicate that the agency possesses the necessary resources and professional expertise to effectively administer the grant funds.

### **2. Allowable and Eligible Costs and Services**

Our review covered all of the core compliance areas identified by OMB Circular A- 133: *Audit of States, Local Government, and Non-Profit Organizations*. Costs incurred by the agency complied with applicable guidelines stated in OMB Circular A-122.

Additionally, the Metro Grants Manual requires separate accounting of the Metropolitan Nashville Government grant funds to prevent co-mingling of Metro Funds with other sources of funding. The agency is in compliance with this requirement. Different revenue classes as well as expenditure classes have been established to separately track the sources and amounts of funding. Also, the agency can easily and accurately report their expenses supported by the Metro Appropriation.

Based on our test work, costs and services during the period were allowable and eligible.

### **3. Program and Performance Objectives**

The contract stipulates that the agency shall use the funds to provide the following outcomes:

- 50 at risk youth, ages 5-12, will participate in the afterschool programs

## **RESULTS OF REVIEW**

---

- 80% children will meet 75% of their individual developmental goals during school
- 80% children enrolled will achieve an A,B,E, or S in a minimum of 3 core academic subjects according to last report card

Based on our review of program documentation and discussions with staff, program performance objectives were met and the agency was in compliance with contractual program objectives.

### **4. Reliability of Financial and Programmatic Reporting**

The contract requires submission of an annual audit report performed by a Certified Public Accountant. The contract also requires the agency to submit to Metro year end reports of the program outcome and a final expenditures report, no more than 45 days after the close of the contract.

We reviewed all applicable financial and programmatic reports required by the contract, including audited financial statements. Based on our review, the agency did not comply with all financial and programmatic reporting requirements. See Finding 1 for additional details.

### **5. Internal Control Environment**

In order to determine the adequacy of the design of internal controls, we obtained and reviewed an independent auditor's report on internal control over financial reporting and/or a completed internal control questionnaire. This audit procedure was performed solely as a basis for determining our test work and to assist us in making suggestions for improvement to management. We did not evaluate the operating effectiveness of internal controls over financial reporting.

Our review of the design of the agency's internal controls did not reveal any control deficiencies. Further, nothing came to our attention that would necessitate suggestions for improvement in internal control activities to management.

## RESULTS OF REVIEW

---

### **6. Civil Rights Requirements**

Our review did not reveal anything to indicate that the agency was noncompliant with civil rights requirements. The agency also has necessary written policies and procedures relating to civil rights. The agency has not received any complaints regarding any form of discrimination. Further, civil rights and ADA postings are publicly displayed.

## **FINDINGS AND RECOMMENDATIONS**

---

### **1. Reporting Requirements Not Met**

The Fannie Battle Day Home for Children failed to submit their final expenditure and program reports within the required time frame. The reports were not received by the Metro Grants Coordination until August 20, 2013.

Per section C.4 of the contract states the agency shall submit a final expenditure report within 45 days of the end of the contract period. Also, per section D.9 Reporting requirement under the Standard Terms and Conditions of the grant contract, the recipient “shall submit a final program report within 45 (forty-five) days of the end of the Grant Contract.” The contract period ended on June 30, 2013 therefore the final program report was due no later than August 15, 2013.

The auditor did note that the reports were mailed on August 7<sup>th</sup>; however, the reports may have been held by the U.S. Postal Service due to insufficient postage.

#### **Recommendation:**

The agency should ensure that annual program reports are submitted to the Division of Grants Coordination no later than August 15<sup>th</sup>.

#### **Corrective Action Plan Required**

Please submit a corrective action plan indicating the actions the agency intends to take to correct the findings identified in this report. The corrective action plan should be submitted within 30 days from the report date to the address below:
