RESULTS OF REVIEW	7

INTRODUCTION

The Office of Financial Accountability (hereinafter referred to as “OFA”) has completed a monitoring review of the Legal Aid Society of Middle Tennessee and the Cumberland. A monitoring review is substantially less in scope than an audit. The OFA did not audit the financial statements and, accordingly, does not express an opinion or any assurances regarding the financial statements of the Legal Aid Society of Middle Tennessee and the Cumberland or any of its component units. The OFA is responsible for the internal monitoring of Metropolitan Government of Nashville and Davidson County (hereinafter referred to as “Metro”) agencies that receive federal and state financial assistance, including cooperative agreements and non-profit organizations that receive appropriations and Community Enhancement Funds from Metro government. In summary, any agreement(s) that imposes performance and/or financial requirements on Metro government is subject to review by the OFA.

The purpose of this review was to assess the agency’s compliance with contractual requirements set forth in the following contract with Metro Government:

Contract	Type	Amount	Contact Term	
L-3600	Community Enhancement Funds	\$186,500	July 1, 2016	June 30, 2017

Agency Background

Legal Aid Society is a private, non-profit organization that provides free legal services to people with low income, indigent, the elderly, victims of domestic violence, and otherwise disadvantaged persons. They do not take criminal cases, only civil cases. The agency is supported primarily through grants. It serves individuals in 48 counties in Middle Tennessee and the Cumberland.

The organization utilizes resources by coordination with bar association sponsored pro bono programs and other legal assistance resources. They also place a high priority on supporting the integrity, safety and well-being of family by providing assistance with preserving the home, obtaining housing, maintaining economic stability, preventing domestic violence, obtaining health care and encouraging family stability.

OBJECTIVES, SCOPE AND METHODOLOGY

The objectives of our review were:

- 1) To determine whether the agency had the resources and capacity to administer the grant funds.
- 2) To determine if costs and services were allowable and eligible.
- 3) To verify that program objectives were met.
- 4) To test the reliability of the financial and programmatic reporting.
- 5) To verify contractual compliance.

The scope of our review was limited to the contract term July 1, 2016 through June 30, 2017.

The monitoring review procedures included meeting with agency management and staff, reviewing board minutes and obtaining written representations from management. In addition, we examined certain financial records and supporting documentation necessary to ensure compliance with contractual requirements set forth in contract L-3600. Specific procedures included:

- Interviewing the employees responsible for grant management, financial reporting and accountability.
- Reviewing supporting documentation of expenditures for allowability, necessity and reasonableness.
- Reviewing the agency's general ledger and verifying the accuracy of all invoices submitted to Metro.
- Reviewing documentation to determine that funds were used for intended beneficiaries and expended in accordance with the spending plan of the contract.
- Reviewing documentation to support program activities for consistency with grant requirements.
- Assessing the financial stability of the agency and its ability to continue to administer the grant program funded by Metro.

RESULTS OF REVIEW

The overall results of the monitoring review are provided in this section. Results are based on testwork performed and include conclusions regarding specific review objectives and, if applicable, recommendations for improvement and an action plan for implementation. Where applicable, the Findings and Recommendations section of this report provides more insight into any issues identified below.

1. Sufficient Resources and Capacity to Administer Grant Funds

Our review of the agency's accounting system and the qualifications of the individuals assigned to manage the accounting records indicate that the agency possesses the necessary resources and professional expertise to effectively administer the grant funds.

2. Allowable and Eligible Costs and Services

Our review covered all of the core compliance areas identified by 2 CFR Part 200: *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Additionally, the Metro Grants Manual requires separate accounting of the Metropolitan Nashville Government grant funds to prevent co-mingling of Metro Funds with other sources of funding. The agency was in compliance with this requirement. Different revenue classes as well as expenditure classes have been established to separately track the sources and amounts of funding. Also, the agency can easily and accurately report their expenses supported by the Metro grant.

Based on our test work, costs and services during the period were allowable and eligible.

RESULTS OF REVIEW

3. Program and Performance Objectives

The contract stipulates that the agency shall use the funds to provide the following outcomes:

- 1) Legal Aid Society (LAS) will provide free legal assistance to 187 unduplicated residents in Davidson County by offering legal assistance to address their victimization.
- 2) LAS will attend at least 72 Order of Protection (OP) dockets.
- 3) LAS will publish and distribute 1,000 educational materials/”self-help guides” that will be distributed to victims of domestic violence or places where Orders of Protection are filled out, including shelters.

Based on our review of program documentation and discussions with staff, program performance objectives were met and the agency was in compliance with contractual program objectives.

4. Reliability of Financial and Programmatic Reporting

The contract requires submission of an annual audit report performed by a Certified Public Accountant. The contract also requires the agency to submit to Metro year end reports of the program outcome and a final expenditures report, no more than 45 days after the close of the contract.

We reviewed all applicable financial and programmatic reports required by the contract, including audited financial statements. Based on our review, the agency complied with all financial and programmatic reporting requirements.

5. Civil Rights Requirements

Our review did not reveal anything to indicate that the agency was noncompliant with civil rights requirements. The agency also has necessary written policies and procedures relating to civil rights. The agency has not received any complaints regarding any form of discrimination. Further, civil rights and ADA postings are publicly displayed.
