RESULTS OF REVIEW	7

INTRODUCTION

The Office of Financial Accountability (hereinafter referred to as “OFA”) has completed a monitoring review of Sister Cities of Nashville. A monitoring review is substantially less in scope than an audit. The OFA did not audit the financial statements and, accordingly, does not express an opinion or any assurances regarding the financial statements of Sister Cities of Nashville or any of its component units. The OFA is responsible for the internal monitoring of Metropolitan Government of Nashville and Davidson County (hereinafter referred to as “Metro”) agencies that receive federal and state financial assistance, including cooperative agreements and non-profit organizations that receive Direct Appropriations and Community Partnership Funds from Metro government. In summary, any agreement(s) that imposes performance and/or financial requirements on Metro government is subject to review by the OFA.

The purpose of this review was to assess the agency’s compliance with contractual requirements set forth in the following contract with Metro Government:

Contract	Type	Amount	Contract Term	
L-4113	Direct Appropriation	\$80,000	July 1, 2018	June 30, 2019

Agency Background

Sister Cities of Nashville is a chapter of Sister Cities International, an organization which facilitates the partnering of select cities to promote international goodwill and diplomacy. The agency, incorporated in 1990 as a 501(c) 3 not-for-profit corporation, is dedicated to promoting world peace and cultural understanding through citizen diplomacy initiatives and educational, professional and cultural exchange programs and events.

Sister Cities of Nashville has eight sister city partners: Belfast, Northern Ireland; Caen, France; Edmonton, Canada; Kamakura, Japan; Magdeburg, Germany; Mendoza, Argentina; Tamworth, Australia; and Taiyuan, China.

OBJECTIVES, SCOPE AND METHODOLOGY

The objectives of our review were:

- 1) To determine whether the agency has the resources and capacity to administer the grant funds.
- 2) To determine if costs and services are allowable and eligible.
- 3) To verify that program objectives are being met.
- 4) To test the reliability of the financial and programmatic reporting.
- 5) To verify contractual compliance.

The scope of our review was limited to the contract term July 1, 2018 through June 30, 2019.

The monitoring review procedures included meeting with agency management and staff, reviewing Board minutes and obtaining written representations from management. In addition, we examined certain financial records and supporting documentation necessary to ensure compliance with contractual requirements set forth in Contract L-4113. Specific procedures included:

- Interviewing the employees responsible for grant management, financial reporting, and accountability.
- Reviewing supporting documentation of expenditures for allowability, necessity and reasonableness.
- Reviewing the agency's General Ledger and verifying the accuracy of all invoices submitted to Metro.
- Reviewing documentation to determine that funds were used for intended beneficiaries and expended in accordance with the Spending Plan of the contract.
- Reviewing documentation to support program activities for consistency with grant requirements.
- Assessing the financial stability of the agency and its ability to continue to administer the grant program funded by Metro.

RESULTS OF REVIEW

The overall results of the monitoring review are provided in this section. Results are based on testwork performed and include conclusions regarding specific review objectives and, if applicable, recommendations for improvement and an action plan for implementation. Where applicable, the Findings and Recommendations section of this report provides more insight into any issues identified below.

1. Sufficient Resources and Capacity to Administer Grant Funds

Our review of the agency's accounting system and the qualifications of the individuals assigned to manage the accounting records indicate that the agency possesses the necessary resources and professional expertise to effectively administer the grant funds.

2. Allowable and Eligible Costs and Services

Our review covered all of the core compliance areas identified by 2 CFR Part 200: *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Additionally, the Metro Grants Manual requires separate accounting of the Metropolitan Nashville Government grant funds to prevent co-mingling of Metro Funds with other sources of funding. The agency was in compliance with this requirement. Different revenue classes as well as expenditure classes have been established to separately track the sources and amounts of funding. Also, the agency can easily and accurately report their expenses supported by the Metro grant.

Based on our test work, costs and services during the period were allowable and eligible.

3. Program and Performance Objectives

The contract stipulates that Sister Cities of Nashville shall use the funds to provide opportunities for cultural education, experience, and exchange with the following outcomes:

- 1) At least 100 Nashville citizens will participate in delegation visits, exchange programs and related activities.

RESULTS OF REVIEW

- 2) A minimum of 10,000 Nashville area citizens and youth, through cultural and educational events will learn about the mission of Sister Cities of Nashville through SCN's World of Friendship, SCN's Cherry Blossom Walk, SCN's Youth Advisory Board, SCN's Kite Festival, SCN's Bus for TIRRC Food Crawl, SCN exhibits at Celebrate Nashville, Music City Irish Festival, Cherry Blossom Festival, "Nashville in Belfast."

Based on our review of program documentation and discussions with staff, program performance objectives were met, and the agency was in compliance with contractual program objectives.

4. Reliability of Financial and Programmatic Reporting

The contract requires the agency to submit to Metro year end reports of the program outcomes and a final expenditures report, no more than 45 days after the close of the contract.

We reviewed all applicable financial and programmatic reports required by the contract, including audited financial statements. Based on our review, the agency complied with all financial and programmatic reporting requirements.

5. Civil Rights Requirements

Our review did not reveal anything to indicate that the agency was noncompliant with civil rights requirements. The agency also has necessary written policies and procedures relating to civil rights. The agency has not received any complaints regarding any form of discrimination. Further, civil rights and ADA postings are publicly displayed.
