MEMORANDUM

To: Vice Mayor Diane Neighbors
    Members of the Metropolitan Council

From: Richard M. Riebeling
       Director of Finance

Date: May 15, 2015

Subject: FY2015-16 Capital Spending Plan

In conjunction with filing the proposed 2015-16 Capital Improvements Budget for the Metropolitan Government, the Administration is submitting a Capital Spending Plan for Fiscal Year 2016 in the amount of $520 million to finance various needed projects across the Metropolitan area. Later this month, the administration will file an Initial Bond Resolution with the Council authorizing expenditures on these projects. We wanted to provide the Council with details of the spending plan to provide ample opportunity for review prior to consideration along with final approval of the 2015-16 operating budget.

As discussed during my recent operating budget presentation to the Council, we will also be filing legislation authorizing the sale of $400 million in General Obligation bonds to provide permanent financing for a number of previously approved and completed projects. This sale will provide maximum flexibility for the new administration taking office in September and comes at a time when interest rates remain at historically low levels.

While reviewing the attached Plan, I would direct your attention to several key areas:

- **PUBLIC SAFETY INITIATIVE** $162 million
  - Relocation of Sheriff’s Facilities
  - New Police HDQ
  - New Southeast Precinct
  - Family Justice Center

- **MNPS** $131 million
  - $96 million for capital projects including:
    - Renovations of MLK and Overton
    - Planning money for Hillsboro, Hillwood and School of the Arts
    - New Cane Ridge area elementary school
    - Bus replacement, general maintenance, and technology upgrades
