Reporting Period:	1 st Quarter <input type="checkbox"/> 2 nd Quarter <input checked="" type="checkbox"/> 3 rd Quarter <input type="checkbox"/> 4 th Quarter <input type="checkbox"/>

1. Project Funding-Provide budget to actual information. See attachment 1 and provide comments in the area below.

There are no costs associated with the e-Filing and Document Management Project at this time.

2. Provide an update on the actions taken to date on the implementation of the project, including key milestones, deliverables and project schedule. Please address all relevant points in section 2 of your Project Charter.

The RFP has been published and evaluated by the offices of the Criminal, Circuit, and the Juvenile Court Clerks. The Intent to Award was released on January 4, 2017, to Xerox Government Systems, based on the total evaluated scores. This intent to award is contingent upon successful contract negotiations and the price negotiation of this project. It is projected that the contract will be awarded, negotiated and signed during the 3rd Quarter (1/17/17 – 4/17/17), as we outlined in the Project Charter (Proposed Final Scope of Work).

JIS will provide information and schedule to roll this project out for Juvenile and CCC and the Circuit Court Clerk, along with their Case Management System vendor, will provide details as to their implementation.

Attached you will find the Evaluation Team Score Sheet for the e-Filing and Document Management System PIP (RFQF#945598)

3. Provide a status of the measurable criteria listed in your final scope of work. Please address all relevant points in section 3 of your Project Charter.

The contractual negotiations will occur during the 3rd Quarter (1/17/17 – 4/17/17). Once the contract is negotiated and signed, we will submit a project plan to the Department of Finance for planning, integration and implementation for all three Clerks of Court. Justice Integration Services will subsequently be able to provide details on how they plan to roll out the project for all three offices.

4. Project Completion Status-Is the project on schedule as outlined in your Project Charter? Please address all relevant points in section 4 of your Project Charter.

The e-Filing and Document Management Project is on schedule as outlined in the Project Charter (Proposed Final Scope of Work). As previously outlined, planning, integration and implementation will continue into FY18. Because we anticipate that the RFP will be awarded in the 3rd Quarter (1/17/17 – 4/17/17), we will subsequently be able to identify measurable criteria for the full implementation of the e-Filing and Document Management Project for all three Clerks of Court.
