NON-DEBATABLE MOTIONS

Rule 15. All motions shall be subject to debate except the following motions:

(1) To adjourn or to recess
(2) Lay on the table
(3) For the previous question

Provided, however, the proponent of any measure sought to be tabled shall have the right to be heard after the motion to table is made and before said motion to table is put to vote.

PREVIOUS QUESTION

Rule 16. The previous question shall be stated by the Chairman in this form: "Shall the main question now be put?" It shall be admitted only when voted for by two-thirds (2/3) of the members present and if the call is made and sustained, its effects shall be to preclude all further amendments and terminate all debate; but it may be applied to the main question or to the main question and amendment, or the main question, amendment and amendment to the amendment, and shall bring the Board to a direct vote on the question, in the order which they stand and from the point where the call was applied. But in all debates upon resolutions, immediately prior to their final passage, the mover or author of the resolution shall have the right to close the debate thereon; and no call for the previous question nor any other motion shall cut off this right in the mover or author of the measure.
TABLED MOTIONS - HOW RESCINDED

MOTIONS DURING VOTE

Rule 18. When, by order of the Board, the Chairman has submitted a question, and when there is a call for the "ayes" and "noes", or a "count of the Board", no motion shall be in order until the decision of the Board is declared by the Chairman. At all other times a motion for adjournment shall be in order, provided some business has been transacted since the last motion to adjourn.

DIVISION OF QUESTION

Rule 19. Any Director may call for the division of a question, which shall be divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition shall remain for the decision of the Board; but on motion to strike out and insert, it shall not be in order to move for a division of that question. But the failure of the motion to strike out and insert a different proposition, nor prevent a subsequent motion simply to strike out, or a failure of a motion simply to strike out, shall not prevent a subsequent motion to strike out and insert.

AMENDMENTS

Rule 20. No amendment beyond the second degree shall be entertained. The vote on amendments shall be had in the reverse order in which the same were made.
READING PAPERS

Rule 21. When the reading of a paper is called for and the same is objected to by any member, it shall be decided by a vote of the majority of the members of the Board voting without debate.

CHANGING THE VOTE

Rule 22. No member shall be allowed to change his vote on any motion, unless a motion to reconsider passes.

RECONSIDERATION

Rule 23. When a question has been made and carried in the affirmative or when a question shall fail to carry, it shall be in order for any member voting with the prevailing side to move for reconsideration. It shall take a majority of the members to which the body is entitled to reconsider a question.

CHANGE OR SUSPENSION OF RULES

Rule 24. The Rules of the Board may be altered or amended by a two-thirds (2/3) vote of the membership. Motions to amend the rules shall be referred by the Chairman to the Rules Committee.

No Rule of the Board shall be suspended except by a vote of at least two-thirds (2/3) of the members present.

However, the Chairman may suspend or invoke the rules at any time without objection of any member. If an objection is made, the matter shall be put to a vote and simple majority of those present and voting shall decide the issue.
In any event or circumstances not covered by the above, Robert's Rules of Order will prevail.
