## East Branch Library

The **East Branch Library** is one of just two remaining public libraries in Nashville that were originally funded by Andrew Carnegie. Today, it is a fully functioning library, including amenities such as public Internet access and a meeting room that can be reserved. Check the Nashville Public Library website at [www.library.nashville.org](http://www.library.nashville.org) for up-to-date hours, as well as scheduling information for special programs, events, and children's story hours.

## Five Points

The intersection of Woodland St, S 11th St, and Clearview Ave forms a five-pronged intersection that today is the social nexus of East Nashville, linking many of the area's communities with an abundance of neighborhood amenities, helping to make East Nashville one of the most pedestrian-friendly parts of the entire region. If you're around Five Points in mid-August, the annual Tomato Art Festival is a can't-miss event celebrating the red fruit in various forms of art.
