wpnc@nashville.gov
wpnc.nashville.gov

Warner Park Nature Center is open
Tuesday-Saturday, 9 a.m.-4 p.m.

Percy and Edwin Warner Parks are open
7 days a week from sunrise to 11 p.m.

Nature Center Programs Resume

We are excited to announce our lineup of free programs this September, October and November! Enjoy a Saturday family program and our fabulous series FYI Naturalist adult programs on a Tuesday each month. All programs will be virtual using the Zoom platform.

Register for programs on our [website](#), and make sure to keep your confirmation email handy—it will contain the Zoom link, password and meeting number.

Still have questions? Call us (615-862-8555) or email us (wpnc@nashville.gov).

Warner Parks are open: take a quiet hike on the Burch Reserve, enjoy the peace of the Little Harpeth River and swing on the porch at the Library. Please wear a mask and maintain social distancing to protect yourself and other hikers and patrons of the Parks.

We'll see you soon.

Contact the Nature Center
for ADA accommodations at
615-862-8555.

September

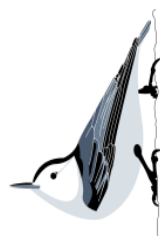

Autumn StoryWalk Reveal	Unveiled Tuesday, September 22 Accessible during Park Hours, dawn-11 p.m. Age level: All ages		Watch summer transform into autumn via our latest StoryWalk book Goodbye Summer, Hello Autumn by Kenard Pak. This popular attraction is located just behind the Nature Center on the Little Acorn Trail. Coordinator: Rebecca Dandekar
FYI Naturalist: Joy is a Bird	Tuesday, September 22 6 p.m.	Age level: Adults, 13+ Online registration open	Do you love birds? Join us as we share about our long-term bird research at Warner Park and learn what you can do to help birds. Presenter: Laura Cook, WPNC BIRD Program Coordinator
Survivor, Insect Style!	Saturday, September 26 10 a.m.	Age level: All ages Online registration open	There are millions of insects sharing this planet with us. Explore some of the body parts and behaviors that help them stay alive. Presenter: Kim Bailey

October

FYI Naturalist: Monarch Citizen Science at WPNC	Tuesday, October 6 6 p.m.	Age level: Adults, 13+ Online registration open	Curious about monarch butterflies in the Parks? So are we! Develop the tools to become a monarch citizen scientist: learn monarch biology, build instar identification skills and practice monitoring protocols. Plus, we'll share Monarch Larva Monitoring Project data from our first two years. Presenter: Rebecca Dandekar
Explore Spectacular Spiders	Saturday, October 24 10 a.m.	Age level: All ages Online registration open	If you notice eight legs, fangs and hair, what do you have? Tune in to the Nature Center to explore the world of spiders and learn how to find and identify orb weavers, crab, jumping, wolf and other fascinating spiders found in Middle Tennessee. Presenter: Melissa Donahue

November

FYI Naturalist: Autumn Trees of Warner Parks	Tuesday, November 10 6 p.m.	Age level: Adults, 13+ Online registration open	Take a virtual tour of Warner Parks trees in late autumn. We will highlight common trees and how to identify by looking at leaves, bark, and seeds, nuts or acorns, and will also share a story or two about our beloved giants of the forest. Presenter: Vera Roberts
Journey Through the Solar System	Saturday, November 21 10 a.m.	Age level: All ages Online registration open	Start at the Sun and walk 1000 yards to Pluto learning about our planetary neighborhood. Tune in to see an astronomer's pictures of the planets and learn why each is special. Leaders: Heather Gallagher and Theo Wellington, Barnard-Seyfert Astronomical Society
