PREFACE

The original Board of Park Commissioners of the City of Nashville, Tennessee was created and empowered as a self-perpetuating autonomous Board, as established by Section 1, of the General Assembly of the State of Tennessee, Chapter 117 of the Private Acts of 1901, which said act empowered and enabled municipal corporations to create, maintain and control a system of public parks, to provide for a Board of Park Commissioners, and to affix and define its powers and duties.

Later the Charter of the City of Nashville was enacted by Private Acts of 1947, Chapter 246, and amended at subsequent sessions of the General Assembly, including the Legislative Sessions of 1949.

The Board of Parks Commissioners was succeeded by the Board of Parks and Recreation by authority of the Metropolitan Government of Nashville and Davidson County’s Charter, which became effective April 1, 1963, and at such time the total area of Davidson County came under the jurisdiction of one Metropolitan Government by referendum.

Article 11, Chapter 10, Section 11.1001 through Section 11.1005 of the Charter delineates and defines the powers of the existing Board of Parks and Recreation.

1000.11 ATTENDANCE

I. Purpose

Whereas Board Members consider the work of the Metropolitan Nashville Board of Parks and Recreation to be of the highest importance, it is critical that all members of the Board participate fully in carrying out the Board’s responsibilities. Members must be available and willing to attend meetings of the full Board and to serve on panels reviewing specific issues. As a result, it is deemed appropriate to adopt a policy regarding attendance of Board members. It is intended to support full contribution of all members of the Metropolitan Nashville Board of Parks and Recreation.
II. Definition of a Board Attendance Problem

A board attendance problem occurs if any of the following conditions exist in regard to a board member’s attendance at board meetings:

1. The member has two un-notified absences in a row (“un-notified” means the member did not call ahead to a reasonable contact as defined by the Board to be the Secretary of the Board, or the Chairperson, before the upcoming meeting to indicate they would not be in attendance) or;
2. The member has three notified absences in a row or;
3. The member misses one third of the total number of board meetings in a twelve month period whether notifications are made or not.

III. Suggested Response to a Board Attendance Problem

If a board attendance problem exists regarding a member, the Board Chair will promptly contact the member to discuss the problem. The member’s response will promptly be shared by the Chair with the entire board at the next board meeting. In that meeting, the board will decide what actions to take regarding the board member’s future membership on the board. Should provision #3 above exist, the Chair shall request the member tender a letter of resignation within the next two weeks. The board will vote acceptance of the member’s resignation letter in the next board meeting. A simple majority vote is required.
III. Suggested Response to a Board Attendance Problem

It is the responsibility of the Chair to report any such violations to the Mayor along with a recommendation from the Board that the Mayor accept the letter of resignation and/or remove that member from the Board. In the case of appointed members from the School Board or Planning Commission, the respective Board Chairs will be notified of the attendance problems and request for a replacement shall be made should the member miss more than one third of the board meetings in any calendar year of their appointment.
