The Metropolitan Board of Parks and Recreation has established goals and policies to accommodate recreational opportunities for dog owners and their pets on municipal park property within the framework of the Board's Mission Statement.

All Metro Parks will be "dog friendly" subject to Park Board rules, regulations, and policies. It is the responsibility of dog owners and custodians of dogs to ensure that they are in compliance with these conditions when they visit and enjoy Metro Parks and Greenways with their pets.

I. The use of Metro Park property and facilities by dog owners, custodians of dogs, and their pets will be subject to the Department's "core service" conditions that promote safety and quality of recreational experiences for all Nashville residents and visitors who share park resources. The intent of related Park Board policies is to make safety the highest priority in providing dog management on park property. The primary goals of dog management on park property are:

- A. Strict compliance with the leash law
- B. Strict compliance with regulation regarding removal of dog waste

II. RULES AND REGULATIONS FOR METRO DOG PARKS

- A. "VISITOR RESPONSIBILITIES" will be posted at all Metro Dog Parks.
