Neighborhood Landmark Submittal Checklist

Each Neighborhood Landmark Overlay District (NLOD) is unique, and there will be different levels of detail required depending on what is proposed within the NLOD.

While not required, a pre-application conference with the planning staff is strongly encouraged. Staff will provide feedback on your NLOD proposal; advise you on application submittal items; and review a projected review and approval schedule. A Pre-Application Meeting Request form is available on the Planning website. Please fill out and submit the form to request a meeting. Note that it is advisable to submit the request at least two weeks prior to your desired meeting dates.

NLOD Submittal Checklist

For establishing a new NLOD or amending or cancelling an existing NLOD

- _____ **1. Justification Letter:** A letter to the Executive Director of the Metro Planning Department describing in detail how the proposed NLOD meets the criteria for the district as described in Section 17.36.420 of the Zoning Ordinance.
- _____ **2. Councilmember Notification:** A copy of the email sent to the Council office and Councilmember notifying them of your application.

For all NLOD applications

✓ , if completed

- _____ **1. PUBLIC WATER & SEWER:**
Metro Water Services
A capacity study/permit may be required with the Neighborhood Landmark application. Contact Metro Water Services at (615) 862-7225.

Harpeth Valley Utility District or Madison Suburban Utility District
Provide a copy of current letter indicating water/sewer availability from Harpeth Valley Utility District, or Madison Utility District (water only). If previously issued letter has expired or is otherwise invalid, obtain new letter. Submit copy of water/sewer availability letter from applicable utility with development plan application. For development plans where no additional flows are involved, a final availability letter must be submitted to utility, *before* development plan application is submitted. *Contact Harpeth Valley Utility District: 352-7076; Madison Suburban Utility District: 868-3201.*
- _____ **2. STORMWATER DRAINAGE & GRADING PLAN:** Complete submittal of stormwater drainage and construction plans with calculation worksheets (Refer to Appendix A of the Stormwater Management Manual for specific submittal requirements; Nashville.gov/stormwater/grading_permit_related.htm). If required submit these plans directly to the Stormwater Division *before* final NLOD application is submitted. *Contact Metro Stormwater: 862-4588.*
- _____ **3. ROADWAY CONSTRUCTION PLANS, GRADING PLANS & SIDEWALK CONSTRUCTION PLANS:** Roadway construction plans with summary of lengths to be bonded, grading plans and sidewalk construction plans to Public Works, if applicable. If required submit these plans directly to Public Works *before* NLOD application is submitted. *Contact Metro Public Works: 862-8760.*
- _____ **4.** The overall NL district boundary including underlying zoning districts;

- ____5. The location, orientation, and size of all existing and proposed structures, features and other elements and associated parking spaces;
- ____6. The location of any structures on any property adjacent to the boundaries of the district;
- ____7. The type, location, number, and size of all existing and proposed vegetation and landscaping;
- ____8. The location, width, height, and type of any existing and proposed fence or wall;
- ____9. The number, location, width, height, type and lighting of any existing or proposed sign(s);
- ____10. The location of any accessory structures for refuse collection, recycling, or feature maintenance;
- ____11. The existing and proposed location of any water mains and sewer lines required to serve the property;
- ____12. The location of all existing and proposed access points, loading areas, and drive-thru lanes;
- ____13. The location and name of all existing streets and alleys;
- ____14. The anticipated traffic impacts of the proposed development, as documented in a traffic impact study of access study, if deemed necessary by Metro Public Works;
- ____15. Tabular data identifying the specific existing and proposed uses and square footage; proposed densities; floor area ratios; impervious surface ratios; feature height(s); and parking spaces; and
- ____16. A proposed development schedule.
